**Poetry**

**The Spark Inside**

(1) A whisper says, "You can't do that."  
(2) But deep inside, I push right back.  
(3) I stand up tall, I face my fears.  
(4) I edge away with narrow feet.  
(5) My voice is strong, my heart beats fast.  
(6) I know I'll shine, I'll make this last.  
(7) Each step's taken, each step I find my way.  
(8) The doubt I had starts to decay.  
(9) I won't give up, I'll stand as tall.  
(10) Even if weak, I try and fall.  
(11) Mistakes will teach me not to pull me down.  
(12) I'll wear my courage like a crown.  
(13) The world may try to shake my ground.  
(14) But confidence is what I've found.  
(15) My spark inside will always glow.  
(16) And with each step, my light will grow.

**Non-Fictional**

**The Perfect Dish: A Pizza Story**

(1) The melting swirl of melted cheese and baked dough drizzled through the air, making themselves comfortable with hunger. (2) Pizza is one of the world's most beloved foods, but have you ever wondered where it came from? (3) The story of pizza is a journey to the toppings piled on a deep-dish slice.

(4) Pizza history stretches back thousands of years. (5) Ancient Egyptians, Greeks, and Romans ate flatbreads topped with oil and herbs. (6) But the pizza we know today started in Naples, Italy, in the 1700s. (7) At that time, people in Naples needed a cheap and easy meal. (8) They began adding tomatoes, a newly introduced food from the Americas, to their flatbreads. (9) This simple dish became so popular that street vendors sold it to workers and travelers.

(10) In 1889, Queen Margherita of Italy visited Naples and wanted to try the pizza food. (11) A chef created a special pizza with tomatoes, mozzarella cheese, and fresh basil. (12) These ingredients represented the colors of the Italian flag: red, white, and green. (13) Today, that style of pizza is still called Margherita pizza in her honor.

(14) Italian immigrants traveling to new places, they brought their love of pizza with them. (15) In the early 1900s, pizza arrived in the United States. (16) It was mostly found in Italian neighborhoods but its popularity quickly grew. (17) By the 1950s, the rise of pizza chains and frozen pizza made it a food loved by millions. (18) Today, pizza comes in all shapes and sizes, with endless choices to unique combinations like pineapple and ham.

(19) Now you can see it, pizza is more than just a meal. (20) It's a people across cultures, bringing friends and family together.
