Beyond The Mountain Bob Stacy, 2024-07-23 The mountains had a dual meaning in my life First of all the mountains impacted my life as a young boy growing up Entertainment for me was running through the hills and valleys hunting My friends and I roamed around over the hills looking for whatever walnuts grapes chestnuts acorns Exploring rivers and creeks fishing swimming and playing wherever we could find a pool of water big enough to accommodate us Then there are the mountains from within mountains created by broken homes leaving children with worry anxiety and thoughts of are they to blame Then there are the mountains from within which create storms that affect older ones Is my boss going to fire me because I did not meet his expectations Or is my marriage going to fall apart because I don't or can't spend enough time with my family Or are the debts larger than the income leaving doubt Will the house be repossessed Can there be enough food Will the family car make it another year Mountains come in many different sizes from the Ozark Mountains in Arkansas at 2561 feet to Mount Everest at 29032 feet with many in between So also are the mountains in our life But God tells us he is bigger than the mountains that overcome us When I gave my life to him at age fourteen he told me then not audibly but in a small still voice I will never leave you nor forsake you He has kept his word He has lifted me over the mountains He has carried me through the storms and as I look back over my life a friend he has been and a Savior he will always be May God bless you Many of the storms I have experienced are recorded in this book 2 *The Calloways (Books 1-6)* Lea Coll, 2024-09-26 Cross My Heart Fiona was my first love She was everything to me And I broke her heart But that was a long time ago Now my military career is over I'm back in our small town running my family's inn hoping for a second chance with the one that got away Too bad Fiona no longer believes in second chances Or love Every Beat of My Heart I never really cared that everyone saw me as nothing more than the charming Calloway the one who refused to grow up Until I met her Claire is sexy Smart Put together in a way I'll probably never be She's also the single mom of one of my students which
