Royalism, Religion and Revolution Sarah Ward Clavier, 2021 Analyses the role of long term continuities in the political and religious culture of Wales from the eve of the Civil War in 1640 to the Glorious Revolution of 1688 In *Royalism Religion and Revolution Wales 1640 1688* Sarah Ward Clavier provides a ground breaking analysis of the role of long term continuities in the political and religious culture of Wales from the eve of the Civil War in 1640 to the Glorious Revolution A final chapter also extends the narrative to the Hanoverian succession The book discusses three main themes the importance of continuities including concepts of Welsh history identity and language religious attitudes and identities and political culture As Ward Clavier shows the culture of Wales in this period was not frozen but rather dynamic one that was constantly deploying traditional cultural symbols and practices to sustain a distinctive religious and political identity against a tide of change The book uses a wide range of primary research material

from correspondence diaries and financial accounts to architectural literary and material sources drawing on both English and Welsh language texts As part of the New Regional History this book discusses the distinctively Welsh alongside aspects common to English and indeed European culture and argues that the creative construction of continuity allowed the gentry of North East Wales to maintain and adapt their identity even in the face of rupture and crisis **Medieval Wall Paintings**

Roger Rosewell, 2014-02-10 The medieval wall paintings that remain in English churches are for the most part shadows of their former selves the rare fragments of this beautiful art to have survived not only the Reformation but also successive waves of iconoclastic zeal and unsympathetic restoration The whitewashed walls of most parish churches belie the riot of colour and decoration that once adorned them but the remnants of paintings tucked into corners or rescued from later layers of paint help us to understand the role of art in medieval religion Roger Rosewell here offers a guide to the role played by medieval wall paintings as religious didactic and commemorative works of art telling the stories of those who created them and those who used them on a daily basis He also compares and contrasts religious and domestic wall paintings using beautiful colour photography throughout **Echoes of a Distant Past** Pasquale De Marco, Journey through the mists of time to discover the captivating story of prehistoric Wales a land of ancient mysteries and enduring legends In this comprehensive exploration of Wales rich cultural heritage we delve into the lives of our ancestors uncovering their secrets and unraveling the enigmas that have puzzled historians for centuries From the Neolithic farmers who shaped the landscape with their awe inspiring stone circles to the Iron Age warriors who defended their hillforts with unwavering resolve we trace the footsteps of those who came before us revealing their remarkable achievements and resilience Along the way we encounter iconic prehistoric sites such as Stonehenge Avebury and Dinas Powys marveling at their architectural ingenuity and symbolic significance Through the lens of archaeology anthropology and historical research we piece together the fragments of prehistoric life gaining insights into the social structures economic systems and artistic expressions of these early communities We explore their relationship with the natural world their exploitation of resources and their adaptation to a changing climate Discover the intricate network of trade and exchange that connected Wales to other parts of Britain and beyond fostering cultural exchange and the spread of new technologies Unravel the secrets of ancient rituals and ceremonies deciphering the symbolism of megalithic monuments and the significance of sacred sites Immerse yourself in the vibrant tapestry of Welsh mythology and folklore where gods and goddesses heroes and villains intertwine in epic tales of love loss and triumph These stories passed down through generations offer a glimpse into the beliefs and values of our ancestors providing a window into their spiritual and cultural world Echoes of a Distant Past Prehistoric Wales is an invitation to embark on a journey of discovery unearthing the hidden treasures of a forgotten era With vivid descriptions captivating storytelling and meticulously researched insights this book brings the prehistoric past of Wales to life inspiring a new generation to appreciate the enduring legacy of our ancestors If you like this book write a review **Windows for the**

world Jasmine Allen,2018-04-12 Windows for the world explores the display and reception of nineteenth century British stained glass in a secular exhibition context International in scope the book focuses on the global development of stained glass in this period as showcased at and influenced by these exhibitions It recognises those who made and exhibited stained glass and demonstrates the long lasting impact of the classification and modes of display at these events A number of exhibits are illustrated in colour and are analysed in relation to stylistic developments techniques and material innovations as well as the broader iconographies of nation and empire in the nineteenth century **Victorian and Edwardian British Industrial**

Architecture Lynn Pearson,2016-08-31 By the end of Queen Victoria s reign factories had become an inescapable part of the townscape their chimneys dominating urban views while their labourers filled the streets coming and going between work and home This book is concerned with the architecture planning and design of those factories that were part of the second wave of the industrial revolution The book s geographical range encompasses the whole of the British Isles while its time span covers the Victorian and Edwardian eras 1837 1910 and the period leading up to the First World War It also looks back to earlier buildings and gives some consideration to the interwar years and beyond including the fate of our factory heritage in the twenty first century Factories not surprisingly given their early working conditions have had a bad press It is sometimes forgotten that they were often the centres of thriving local communities while their physical presence and wonderfully varied buildings enlivened our towns and cities It is time for a new look at factory architecture Well illustrated with 150 colour and black white photographs **The Routledge Companion to William Morris** Florence S.

Boos,2020-10-29 William Morris 1834 96 was an English poet decorative artist translator romance writer book designer preservationist socialist theorist and political activist whose admirers have been drawn to the sheer intensity of his artistic endeavors and efforts to live up to radical ideals of social justice This Companion draws together historical and critical responses to the impressive range of Morris s multi faceted life and activities his homes travels family business practices decorative artwork poetry fantasy romances translations political activism eco socialism and book collecting and design Each chapter provides valuable historical and literary background information reviews relevant opinions on its subject from the late nineteenth century to the present and offers new approaches to important aspects of its topic Morris s eclectic methodology and the perennial relevance of his insights and practice make this an essential handbook for those interested in art history poetry translation literature book design environmentalism political activism and Victorian and utopian studies

Stories in Glass David King,2024-01-01 Norfolk s churches are home to some of the highest quality and best preserved medieval stained glass in Britain Panels produced in the county s extensive and long lasting workshops centred in the historically important city of Norwich can be found in some 270 buildings including churches museums and country houses Moreover recent research has revealed for the first time the original location of many of the panels now dispersed around the county In Stories in Glass Paul Harley and David King reveal these treasures to a new audience Harley s exquisite

photographs are set alongside historical and artistic explanations that illuminate the social economic and religious background to the windows we see today With 200 colour images and maps showing the locations of the windows discussed this beautifully illustrated guide will appeal to the explorer and connoisseur alike **The Congregationalist** ,1912 **The Cambrian** ,1894 **The Church in the Nineteenth Century** Frances Knight,2008-04-07 The nineteenth century was one of the most fascinating and volatile periods in Christian history It was during this time that Christianity evolved into a truly global religion which led to an ever greater variety of ways for Christians to express and profess their faith Frances Knight addresses the crucial question of how Christianity contributed to individual identity in a context of widespread urbanisation and modernisation She explores important topics such as the Evangelical revival led by the likes of the founder of the Christian Mission later the Salvation Army William Booth the Oxford Movement under Newman Keble and Pusey Mormonism and Protestant revivalism in the USA socialism and the impacts of Karl Marx and anarchism continuing theological divisions between Protestants and Catholics and the development of pilgrimage and devotion at places like Lourdes and Knock Her book also examines the most significant intellectual trends such as the rise of critical approaches to the Bible and the different directions that these took in Britain and America The author s unique emphasis on the ordinary experience of Christians worldwide makes her volume indispensable for students and general readers who will be fascinated by this sensitive twenty first century perspective on the nineteenth century **The Builder** ,1862 **Feminine Sanctity and Spirituality in Medieval Wales** Jane Cartwright,2008 Cartwright sheds light on the religious women of medieval Wales Drawing on a wide range of sources from saints lives and native poetry to holy wells and visual evidence she explores feminine sanctity its meanings manifestations and related iconography in a specifically Welsh context **The Angel Roofs of East Anglia** Michael Rimmer,2015-08-27 Shortlisted for the East Anglian Book Awards 2016 It has been estimated that over 90% of England s figurative medieval art was obliterated in the image destruction of the Reformation Medieval angel roofs timber structures with spectacular and ornate carvings of angels with a peculiar preponderance in East Anglia were simply too difficult for Reformation iconoclasts to reach Angel roof carvings comprise the largest surviving body of major English medieval wood sculpture Though they are both masterpieces of sculpture and engineering angel roofs have been almost completely neglected by academics and art historians because they are inaccessible fixed and challenging to photograph The Angel Roofs of East Anglia is the first detailed historical and photographic study of the region s many medieval angel roofs It shows the artistry and architecture of these inaccessible and little studied medieval artworks in more detail and clarity than ever before and explains how they were made by whom and why Michael Rimmer redresses the scholarly neglect and brings the beauty craftsmanship and history of these astonishing medieval creations to the reader The book also offers a fascinating new answer to the question of why angel roofs are so overwhelmingly an East Anglian phenomenon but relatively rare elsewhere in the country *Years's Transactions of the Carmarthenshire Antiquarian*

Society and Field Club ... Carmarthenshire Antiquarian Society and Field Club, 1912 **Charles** Huw Thomas, 2023-05-08 It is a book which takes its time and really delves into the pivotal moments in Charles' connection with Wales. We are offered a glimpse at a man who has over the decades forged both a more formal support to Wales and a more personal warmth for it. Emma Schofield, Wales Arts Review. This is a highly readable and lively book full of anecdote and character. Thomas needs to be praised for producing a well-written and pacy book on a controversial subject which is neither hatchet job nor fawning tribute. Myfanwy Alexander, Nation Cymru. Before Charles became King, he was Prince of Wales. It was a role he took more seriously than any predecessor of the modern British monarchy. From the moment he was created Prince of Wales in 1958 until his accession to the throne, Charles's approach to the role was to serve Wales and to promote Welsh life. But what impact has he had on the country and what impression did the Welsh leave on him? This book examines the relationship that the Prince nurtured with a nation that meant much more to him than an honorary title. Dozens of interviews have helped Huw Thomas to unearth the untold stories of Charles's work in Wales alongside the key role he has taken in developing industry, culture, and conservation. For a man who has spent almost a lifetime waiting to be King, Huw Thomas reveals how Wales prepared Charles for the crown. Despite his initial reluctance to come to Wales as a student, his time spent learning the history and language of the Welsh at Aberystwyth in the 1960s fostered a passionate commitment to the nation. Wales has not always returned the compliment with popular protests and more subtle snubs to his involvement in Welsh affairs. And yet those who have worked with him and who call him a friend cite a remarkable ability to make a difference without making a fuss. As a diplomat, he is credited with bringing major employers to south Wales, offering jobs to a workforce that had been decimated by the collapse of the coal industry. As a cultural ambassador, he revived royal patronage for the arts in Wales and sponsored the finest performers to emerge from the land of song. And as a champion of the natural environment, he has backed the farmers and conservationists who are nurturing the Welsh countryside, not least by employing traditional crafts to create the first royal home in Wales for 400 years.
