changing and socialistic world economy The Wagon to Disaster told by former co founder and CFO Aaron Beam is the untold story of HealthSouth one of America s most successful health care companies and consequently the perpetrator of one of its biggest frauds in history How big was the fraud In 2003 just before news of the crime broke in the mainstream media HealthSouth paid more money in taxes to the Federal Government than it legitimately earned the previous year Beam takes the reader from HealthSouth s humble beginnings through its meteoric rise and to its disastrous revelation subsequent trial and his three month incarceration in a federal prison Moreover he reveals the nature of the fraud and the true personality of the driving force behind HealthSouth Richard Marin Scrushy one of the most enigmatic nefarious characters the State of Alabama has ever produced a hard charging unscrupulous visionary whose caustic Machiavellian approach ensured HealthSouth s success and oddly his predictable fall as the company s benevolent dictator **Soaring with the Eagles** Ron Little,2018-08-01 With over forty seven years of flight experience Ron Little shares his love affair of airplanes These experiences from the flight deck encountering presidents senators and many other VIPs give one a vivid insight on why and how things happen Sometimes a shock sometimes a laugh At times a person wonders how some of these folks got so prominent All in all it was a fantastic ride
