For the first time in 400 years the Catholic Church has authorized an official universal catechism which instantly became an international best seller: the Catechism of the Catholic Church. Using this official Catechism, the highly regarded author and professor Peter Kreeft presents a complete compendium of all the major beliefs of Catholicism written in his readable and concise style. Since the Catechism of the Catholic Church was written for the express purpose of grounding and fostering catechisms based on it for local needs and ordinary readers, Kreeft does just that, offering a thorough summary of Catholic doctrine, morality, and worship in a popular format with less technical language. He presents a systematic organic synthesis of the essential and fundamental Catholic teachings in the light of the Second Vatican Council and the whole of the Church's Tradition. This book is the most thorough, complete, and popular catechetical summary of Catholic belief in print that is based on the universal Catechism.
