

An aerial photograph of a vast, dense forest of tall evergreen trees. The forest is lush and green, with some trees showing hints of yellow. In the background, a range of mountains is visible under a sky with soft, white clouds. Overlaid on the forest is a logo consisting of a thin white circle and a large white 'X' to the right of the text 'LUNA NECTAR'.

LUNA NECTAR

Tennyson's Rapture Cornelia D. J. Pearsall, 2008-01-29 This book explores Tennyson's representation of rapture as a radical mechanism of transformation theological social political or personal and as a figure for critical processes in his own poetics Offering a new approach to reading Victorian dramatic monologues Pearsall probes the complex aims of these performances showing how speakers' ambitions are both articulated in and attained through their consequential speech

Upon Our Own Ground: 1956 to 1964 Gémino H. Abad, 2008 *Women Readers and Writers in Medieval Iberia* Montserrat Piera, 2019-08-05 This book is devoted to medieval Iberian women readers and writers Focusing on the stories and texts women heard visually experienced or read and the stories that they rewrote the work explores women's experiences and cultural practices and their efforts to make sense of their place within their familial networks and communities The study is based on two methodological and interpretive threads a new paradigm to represent premodern reading and a study of women's writing or more precisely women's textualities as a process of creating words but also acts social practices emotions and ultimately affectus understood here as the embodiment of the ability to affect and be affected

Continent, 1923 Living Green Kathlyn Gay, 2012-03-29 What does living green mean For some it means making a commitment to reduce reuse and recycle every day For others it also means respecting and conserving our natural resources so they will be available in the future In Living Green The Ultimate Teen Guide readers learn why protecting the environment is such a crucial undertaking and why and how young adults should take up this important cause Living Green demonstrates how reckless indifference to our planet's needs jeopardizes not only plants and animals but the existence of mankind This volume addresses such concerns as leaving a low carbon footprint protecting wildlife saving natural resources conserving trees and gardens and fighting for environmental justice Most importantly Living Green explores the many ways that teens can make a difference in their homes communities and in the world at large While some of the teen efforts described here may be familiar the author also focuses on issues seldom addressed such as dumping toxic waste on poor and powerless

communities The book includes quotes from green advocates and teens who consider themselves eco friendly as well as useful advice that will help young adults embrace a lifestyle that will positively affect generations to come
