

Church Welcome Speech

I want to take a moment to extend a very warm welcome to everyone who's visiting us for the first time this morning. Whether you're just having a look, or are searching out for a place to worship, we're delighted to have you here.

To give you some idea of what we're all about, I'll quickly sketch some of our foundational beliefs.

Our vision says this: Getting and growing people in relationship with Jesus.

So firstly, we're all about Jesus Christ. We believe that Jesus was who he said he was, the Son of God who came and died for our sins. So if this is your first time in church, we hope that get to know Him as we do, because He's truly what life is all about for us!

Secondly we're all about people. Every person who walks through our doors is important to us, so if you ever feel like just another number, we're doing something wrong and I give you permission to tell me about it.

As a group of God's people we care about you and your family and we're here not only to feed you spiritually, but to help in any way we can. We love doing it and it's why we exist!

Fire on the Island Tom Bratrud, 2022-04-08 In 2014 the island of Ahamb in Vanuatu became the scene of a startling Christian revival movement led by thirty children with spiritual vision However it ended dramatically when two men believed to be sorcerers and responsible for much of the society's problems were hung by persons fearing for the island's future security Based on twenty months of ethnographic fieldwork on Ahamb between 2010 and 2017 this book investigates how upheavals like the Ahamb revival can emerge to address and sometimes resolve social problems but also carry risks of exacerbating the same problems they arise to address Speech Index Roberta Briggs Sutton, 1962 Christian Register and Boston Observer, 1927

The ultimate aim and purpose of this book is to give us some insight into dealing with the negative and positive vicissitudes of life and how to cope with them It seeks to remind us that in times of joy fortune and success we should celebrate those moments with grateful hearts We should learn not to take them for granted but to claim them as blessings count them and capitalize on them On the other hand when distress confronts us when trouble engulfs us we should first be conscious of the fact that while trouble and calamity may be inevitable that they are neither fatal nor final Misfortune is not a permanent feature of life It is transient as one of our psalms reminds us heaviness may endure for a night but joy comes in the morning *The Baptist*
