Welcome To Storybrooke

Welcome To Storybrooke:

Reawakened Odette Beane, 2013-04-23 Strangers don't come to Storybrooke. The town's residents are victims of a curse trapped by an Evil Queen in a world without magic; they don't remember that they were once Snow White, Prince Charming, Jiminy Cricket, and other characters from a fairytale world. The curse keeps them in Storybrooke and keeps everyone else out until a dark stranger with a typewriter arrives on a motorcycle. August, the mysterious newcomer, claims to be in Storybrooke because, as a writer, the town inspires him. As the other characters discover, though he knows more about fairytales than he lets on, with one foot in the nonmagical world, one foot in fairytale land, and both hands on a typewriter, August is the perfect narrator to tell fans the story of *ONCE UPON A TIME*'s first season and ready them for a surprise in the next. [Once Upon a Time](#) Brothers Grimm, 2011-12-27 *ONCE UPON A TIME* will be a re-issue of classic fairy tales by the Grimm brothers that will also function as a loose tie-in to the ABC fall 2011 show *Once Upon a Time* featuring 40 public domain translations of Grimm brother tales. The show has a 13 episode order for the fall 2011 season and premieres on October 23, running through mid-February. It will air on Sunday nights at 8pm. The show's story centers on a woman who is the long lost daughter of Snow White and Prince Charming who must return to Storybrooke, Maine, to help break a curse the Evil Queen set on the world of fairy tales, causing all fairy tale characters to be transported to the modern world and forget their magical origins. The book will be small and gift-sized, think *LAST LECTURE*, and will feature original artwork and illustrations by artist Kevin Tong. Cover, full-page illustrations, series of decorative and thematic illustrations throughout. Interior: Tong worked as an artist on *LOST*'s art campaign and currently does amazing concert posters. His aesthetic is dark and edgy and lines up nicely with that of the show. Exactly what we're going for with these illustrations. For our book, he'll illustrate the cover, six full-page interior pieces to go with the tales featured in both the book and the show: Snow White, Cinderella, Rumplestiltskin, Rapunzel, Red Riding Hood, Sleeping Beauty, and between 20-30 small decorative images and spot pieces to adorn the interior pages.

Fanfiction as Queer Healing

Alice M. Chapman-Kelly, 2024-10-31 Exploring the phenomenon of Femslash fanfiction fan narratives that bring together heterosexual female characters from mainstream media and fiction this book analyses fan-authored works as forms of literature worthy of studying at length It examines the anti-racist feminist sapphic fan works produced in response to white supremacist heteronormative queerbaiting mainstream fantasy and argues that they represent a significant site of queer healing for marginalised audience members Focusing on the Swan Queen fandom where fans pair the white trash heroine Emma Swan and the villainous Latina Evil Queen Regina Mills from ABC's hit show *Once Upon a Time* Alice Kelly redresses the widespread academic neglect of queer female fandoms and responds to urgent calls to diversify fan and fantasy scholarship With reference to complex theoretical subjects such as ethnography sociology psychology and decolonial queer film and media studies the book also delves into the alternative timescales on which queer female and genderqueer fan authorship runs offers intriguing insights into fanfiction narrative structures and tackles the issues of broader fandom representation and contextualization Making the case that fan texts deserve attention in the academy Kelly shows how some of the most prolific fan works have the ability to enact colour reparation and a reclamation of memory fantasy romance maternity childhood parenting and magic These fictions serve fan communities as a whole through intersectional challenges to the power dynamics of the source text and within the fandom itself and as the book demonstrates offer attendant validation to fantasy fans who have been repeatedly told that the genre is not for them

History and Culture of Haiti

NICOLE JEAN-LOUIS, 2012-09-29 My name is Nicole Jean Louis My maiden name is Nicole Faublas I was born in Port au Prince Haiti When I was nine years old my grandfather Luc Beauboeuf inspired me to discover my artistic talent Every sketch I've made

was greeted with abundant praises by my grandfather Draw me some more he would say to me Every day after school I would rush to draw more and more for him Then he would help me with my math problems In my early schooling at Sacred Heart my favorite subjects were Math and Drawing As an artist I love to incorporate Geometry and Physics in my drawings as much as I can For example when I paint my landscape I want to align the horizon with the sea level as straight as possible In Haiti we were five siblings growing up Gladys Nicole myself Micheline Edith and Serge Faublas our only brother One day my father Jean Faublas gathered us all to go hiking in a mountain surrounding Port au Prince The mountain s name is Morne de l Hopital My father told us that we would go to the top where there is a hotel at Boutilier This was a memorable experience We met farmers working on the fields Some farmers build terraces We met women descending the mountain with baskets on their heads loaded of farm products The women wore blue denim dresses with a colorful piece of cloth wrapped around their waist There were naked children playing by their thatch houses At the age of ten it was fascinating for me to see the children s skin and hair of similar color red brown like the soil The air smelled like Haitian soda In the late 1955 s era the mountain sides located near Port au Prince were not constructed They were invaded by outsiders as in this modern day era In 1964 my whole family migrated to Zaire Africa to flee from the Duvalier Regime I spent a year in Zaire completing my terminal secondary class Then my father sent me to Hampton Virginia I attended Hampton Institute presently known as Hampton University majoring in Biochemistry I spoke little English The following year I stayed in New York with my older sister Gladys I did not pursue Art in college Instead I choose Science After many intermissions e g wedding travel birth I finally received a Bachelors in Science degree at Hunter College in 1978 From 1978 to 2007 I worked in Chemistry at different hospitals in the Bronx North Central Bronx Hospital Einstein Jacobi and Montefiore Hospital I painted occasionally for dear friends my sisters and brother my granddaughter Guenett Three 2 Generations painting I also painted for my niece s and nephew s wedding presents and for decors in my new house When I retired in 2007 my husband and I went to live in Jacmel Haiti his hometown Jacmel is a picturesque town by the beaches Its environment inspired me to take my brushes again Painting became my favorite past time From 2007 to 2010 I painted over thirty paintings I embrace all styles landscape personalized portrait every day occurrence folkloric dance history Haiti that I know before the earthquake of January 2010 will be beautiful again I have to display Haiti s panoramic scenery everyday life and its historic events such as Ceremony of Bois Caiman 1791 Mad Dogs chasing fugitive slaves I have to exhibit some of Haiti s heroic figures for example Toussaint Louverture and Jean Jacques Dessalines My book is mostly about visual art Visual art depicts everything that the eyes can see without embellishment Reality is represented faithfully truthfully and accurately Visual art is objectively real My book illustrates Haiti s history and culture through visual art Haiti has a unique and glorious history History is powerful and should be protected Haiti is a country full of resilience Documenting Haitian history and culture through art is my passion It is important to instruct the young so they can make educated judgment by learning from the past I *Gender and Media* Tonny
