

Do you remember this FRUIT CAKE ?

Even large business organizations occasionally become sentimental . . . We've always had a sentimental feeling towards this picture of a fruit cake and this fruit cake recipe.

It's such a good picture and such a good recipe. They both appeared in an advertisement we published two years ago. And we still remember our thrill at the number of letters that we received. Letters from women who had used the recipe and who apparently just had to tell us what wonderful fruit cake it made.

And so we print this picture and recipe again to remind you not only of the fruit cake but of the fact that the use of a choice salad oil is becoming decidedly the modern method of cooking . . .

Certainly, it is easy and convenient to make a cake with Wesson Oil, for you just pour it to measure and pour it to mix.

But more than that: Wesson Oil is so delicious in itself—so pure and wholesome, so delicate in flavor, so crystal clear and light in color—that it can't help lending its own delicacy and fineness to whatever you bake with it.

Muffins, biscuits, cakes, cookies, waffles, pie crust—they're far lighter and more finely-textured and more delicious when they are made by this new and modern method . . . And never did fried food boast of a crust so flaky and tender and edible as when it is fried in Wesson Oil.

Perhaps you would like to try this recipe for a holiday dessert. And perhaps, even more, you would like to adopt this modern Wesson Oil way for your day-by-day baking and frying. We can assure you in either event—or both—that you will be more than a little delighted.

Send for our new book of recipes. We shall also appreciate it if you will send us the name of your grocer. Address the Wesson Oil—Sawdust People, 210 Baronne St., New Orleans.
