Small Steps, Huge Changes Phyllis Reed, 2011-03-23 What is a sacred moment Is it a big sudden change in the direction of your life or your physical or mental state Or is it a moment in which you understood your fears or made a choice to let something go We may find our lives full of fear hurt or pain of loss and even though these daily experiences have not caused major earthquakes or volcanic eruptions around the world it is in these moments of our daily lives that we must look for our answers In *Small Steps Huge Changes The Extraordinary Moments of an Ordinary Life* writer Phyllis Reed shows us how it is possible to discover healing and joy by choosing to take just one small courageous step Through reflections remembrances poems and vignettes Reed tracks her own small steps through realms as varied as love parenthood loneliness fear and connecting to places other people and holy presence Each true story told in Reeds conversational nurturing tone is a tribute to those who have found ways to live happily and healthily after great difficulties to see the extraordinary in their everyday experiences Taken as a whole these moments of rising and falling of joy and defeat become our sacred lives Our sacred moments are our greatest gifts and the choice is ours to step forward and accept and learn from them *The Dame in the Kimono* Leonard J.
