*Blue Heaven* Willard Wyman, 2012-09-05 The year is 1902 A young stock handler named Fenton Pardee has just survived the train wreck

that almost destroyed William F Cody's Wild West show. Surveying the train's smoldering ruins and what is left of Cody's company of stunt riders, trick shooters, and stage actors, Fenton realizes that turning the West into a circus to thrill the world is no longer thrilling for him. Salvaging a saddle horse and three pack mules, he heads back into the West seeking the reality of the Montana Rockies. *Blue Heaven* marks the return of Fenton Pardee, a veteran guide and packer who figured so memorably in *High Country*. Willard Wyman's highly acclaimed first novel. Now Wyman moves back in time, filling in the story of the legendary packer. As he begins his westward journey, Fenton is not nearly as sure of where he is going as of what he wants to leave. Crossing the National Divide, he follows Indian trails and game trails, learning the lay of the land as he moves into a wilderness that comforts him as it draws him ever deeper into it. Stumbling into the camp of Tommy Yellowtail, a Flathead Indian, as determined to remain in these mountains as Fenton is to embrace them, he finally finds his way. Together, the two men discover that showing people what they want to preserve has its own way of keeping it alive. The tale of Fenton and Tommy and of the women they love, one of whom is tragically taken from them, cuts through the romance of the West to offer an earthier reality even as twentieth-century expansion and a looming world war threaten to take it all away.

**The Best Land Under Heaven** Michael Wallis, 2017-06-06 Longlisted for the Andrew Carnegie Medal for Excellence, Finalist for the Oklahoma Book Award, A Publishers Weekly Holiday Guide History Pick. A book so gripping it can scarcely be put down. Superb New York Times Book Review. WESTWARD HO FOR OREGON AND CALIFORNIA In the eerily warm spring of 1846, George Donner placed this advertisement in a local newspaper as he and a restless caravan prepared for what they hoped would be the most rewarding journey of a lifetime. But in eagerly pursuing what would a century later become known as the American dream, this optimistic yet motley crew of emigrants was met with a chilling nightmare in the following months: their jingoistic excitement would be replaced by desperate cries for help that would fall silent in the deadly snow-covered mountains of the Sierra Nevada. We know these early pioneers as the Donner Party, a name that has elicited horror since the late 1840s. With *The Best Land Under Heaven*, Wallis has penned what critics agree is destined to become the standard account. Washington Post of the notorious saga. Cutting through 160 years of myth-making, the expert storyteller True West compellingly recounts how the unlikely band of early pioneers met their fate. Interweaving information from hundreds of newly uncovered documents, Wallis illuminates how a combination of greed and recklessness led to one of America's most calamitous and sensationalized catastrophes. The result is a fascinating, horrifying, and inspiring Oklahoman examination of the darkest side of Manifest Destiny.
