**Becoming Active Citizens** Tom Driscoll, Shawn W. McCusker, 2023      Civic Engagement Across the Curriculum Richard M. Battistoni, 2017-01-27 Civic Education Across the Curriculum offers faculty in all disciplines rationales and resources for connecting their service learning efforts to the broader goals of civic engagement Campuses promoting engagement are beginning to tie service learning practices to their civic mission of preparing students for participation in a diverse democratic society There are however few resources for faculty especially those in fields not traditionally linked with civic education to think about how civic engagement might be incorporated into their own disciplinary perspectives and course goals This volume distills a wide range of disciplinary perspectives on citizenship into usable conceptual frameworks It provides concrete examples of course materials exercises and assignments that can be used in service learning courses to develop students civic capacities regardless of disciplinary area This volume will assist faculty in their own curricular work as well as enable them to combine their individual initiatives with others across their campus      **Learning to Teach**

**Citizenship in the Secondary School** Liam Gearon, 2003-12-08 Citizenship is a wide ranging subject that can be taught in its own right or through other curriculum subjects and activities This book is intended for students training to teach Citizenship as a first or second subject and will also be immensely helpful to experienced teachers who have opted to take responsibility for this exciting subject Written in a clear and practical way yet underpinned by a sound theoretical background the book covers key themes in Citizenship education including Citizenship in the National Curriculum Citizenship and pastoral care special educational needs developing schemes of work ways of teaching and learning assessment monitoring and recording resources and useful contacts professional development With key objectives and tasks for each chapter this book will help teachers to improve their understanding of Citizenship education and to help their pupils understand their roles as citizens It may be read in conjunction with the companion core textbook Learning to Teach in the Secondary School 3rd edition      *Objectives and Procedures in Civic Education* Charles Clinton Peters, 1930      Civics and Moral Education , 1994      The Civic Education Project ...
