Dawsey,2023-08-15 Is religion disappearing from American life Less than 50 percent of Americans now hold membership in any religious institution and even fewer attend worship services The decline in Christian churches is especially pronounced among the young and cuts across all denominations But for Methodists and like minded Protestants concerns are deeper than shrinking denominational membership Polls show disconcerting ignorance about religious and spiritual matters even among churchgoers Our values as a society are in large measure molded by religion What shape will Protestant Christianity take in the twenty first century And of Methodism And beyond that what kind of community will we be Dawsey proposes returning to the roots of Christianity And with anecdotes and stories and a sweeping grasp of church history he examines those essential practices and beliefs necessary to revitalize American churches Key he argues is rediscovering Christianity as a philosophy of living John Wesley characterized the practice of religion as first doing no harm second doing good and third keeping the ordinances of faith Loving God and God s creation the doing of Christianity marks the path for becoming the churches and individuals Christians were called to be **Teaching for Spiritual Formation** Kyle R. Hughes,2022-01-06 In Teaching for Spiritual Formation church historian and experienced Christian educator Kyle R Hughes advances a fresh vision of Christian teaching and learning by drawing upon the riches of the Christian tradition synthesizing the wisdom of the early church fathers with contemporary efforts to cultivate a distinctively Christian approach to education Of interest to a wide range of Christian educators this book examines how the writings of five significant church fathers can illuminate our understanding of the vocation of teachers the nature of students the purpose of curriculum decisions about pedagogy and how spiritual formation works Besides reimagining these aspects of Christian education Hughes also offers habits and practices that can help bring this vision of Christian teaching and learning to life challenging Christian educators to sharpen their approach to the integration of faith and learning in practical and accessible ways **Behold the Man** Harold Burke-Sivers,2015-09-22 Lucid and inspiring Behold the Man is a unique exploration of Catholic spirituality for men Much of the literature written for Catholic men focuses on topical issues such as

fatherhood and sexuality While this book does not exclude these subjects it is the first to present a comprehensive picture of Catholic male spirituality What is authentic male Catholic spirituality What distinguishes it from Protestant male spirituality How does masculine spirituality complement feminine spirituality These questions and many more are answered in this book Drawing from Scripture and Church teaching the author roots Catholic male spirituality in a covenant relationship with God and the cross of Jesus Christ He demonstrates that when a man embraces the cross he is truly able to be himself the man that God created and calls him to be Behold the Man can deepen a man s experience of Christ and help him to know the Lord more intimately Saint Joseph Guide for Christian Prayer: The Liturgy of the Hours (2019) Catholic Book
