Journey into the Wilderness

- 1 In 1804, Meriwether Lewis and William Clark began an expedition. They chose forty other adventurous men to go with them. These brave men went into an unknown wilderness. They would find wild animals. They would travel dangerous rivers. They would face hostile Native Americans. Yet, they would make great discoveries that would help America.
- 2 In 1803, the United States bought an enormous piece of land claimed by France. This land is known as the Louisiana Purchase. 828,000 square miles of land was called the Louisiana Territory. This territory more than doubled the size of the United States. However, no one knew much about the Louisiana Territory. No one knew much about the plants, animals, or Native Americans there.
- 3 President Thomas Jefferson wanted a group to explore the land. He had three main goals.
