The Outlaw Of Torn:

The Outlaw of Torn Edgar Rice Burroughs, 2023-01-01 War is looming as England is riven by a power struggle between King Henry III and Simon de Montfort. Into the chaos comes a fearsome figure, Norman of Torn, a warrior with a thirst for English blood. With a bounty on his head, he gathers a huge band of thieves and they run riot across the country. Norman even infiltrates de Montfort's army and seduces his daughter, Bertrade. Then, as he faces near-certain death in a battle, a remarkable secret is revealed, one that could shake England and the Royal family to the core. This is perfect reading for fans of *Ivanhoe* by Sir Walter Scott and *The Merry Adventures of Robin Hood* by Howard Pyle. Edgar Rice Burroughs (1875-1950) was an American author who created the character Tarzan. He wrote scores of adventure, science fiction, and fantasy novels, including the Pellucidar series, the Amtor series, and the Caspak trilogy. He took to writing after a failed mining venture with his brothers and seven years as a pencil sharpener wholesaler. His novel *Tarzan of the Apes* was the springboard to fame and fortune, spawning countless movies, a cartoon strip, and merchandise.

The Outlaw of Torn Annotated Edgar Rice Burroughs, 2021-09-08 *The Outlaw of Torn* is a historical novel by Edgar Rice Burroughs, originally published as a five-part serial in *New Story Magazine* from January to May 1914 and first published in book form by A. C. McClurg in 1927. It was Burroughs' second novel, his first being the science fiction work *A Princess of Mars*. His third was *Tarzan of the Apes*. The story is set in 13th-century England and concerns the fictional outlaw Norman of Torn, who purportedly harried the country during the power struggle between King Henry III and Simon de Montfort. Norman is the supposed son of the Frenchman de Vac, once the king's fencing master who has a grudge against his former employer and raises the boy to be a simple brutal killing machine with a hatred of all things English. His intentions are partially subverted by a priest who befriends Norman and teaches him his letters and chivalry towards women. Otherwise, all goes according to plan. By 17, Norman is the best swordsman in all of England; by the age of 18, he has a large bounty on his head, and by the age of 19, he leads the largest band of thieves in all of England. None can catch or best him. In his hatred for the king, he even becomes involved in the civil war which turns the tide in favor of de Montfort. In another guise, that of Roger de Conde, he becomes involved with de Montfort's daughter, Bertrade, defending her against her and her father's enemies. She notes in him a curious resemblance to the king's son and heir, Prince Edward.

The Outlaw of Torn - Large Print Edition Edgar Rice Burroughs, 2013-12 In his second novel, Burroughs tackled the historical and made it his own. By the age of 17, Norman is the best swordsman in England. He's a wanted man and he's involved in the power struggle between King Henry III and Simon de Montfort. When Norman falls for Bertrade, de Montfort's daughter, things get intense. This Large Print Edition is presented in easy-to-read 16-point type.

The Outlaw of Torn - The Original Classic Edition , 2012-03-01 The Outlaw of Torn by Edgar Rice Burroughs The Original Classic Edition Finally available a high quality book of the original classic edition It was previously published by other bona fide publishers and is now after many years back in print This is a new and freshly published edition of this culturally important work which is now at last again available to you Enjoy this classic work today These selected paragraphs distill the contents and give you a quick look inside The episode meant more to him than being bested in play by the best swordsman in England for that surely was no disgrace to Henry it seemed prophetic of the outcome of a future struggle when he should stand face to face with the real De Montfort and then seeing in De Vac only the creature of his imagination with which he had vested the likeness of his powerful brother in law Henry did what he should like to have done to the real Leicester And then Chance carried a little leather ball beneath the window where the old man stood and as the child ran laughing to recover it De Vac s eyes fell upon him and his former plan for revenge melted as the fog before the noonday sun and in its stead there opened to him the whole hideous plot of fearsome vengeance as clearly as it were writ upon the leaves of a great book that had been thrown wide before him I know not what thy foul work may be but foul it is I know from the secrecy which you have demanded an I dare say there will be some who would pay well to learn the whereabouts of the old woman and the child thy sister and her son you tell me they be who you are so anxious to hide away in old Til s garret It seemed that when the Lady Maud had not returned to the palace with Prince Richard at the proper time the Queen had been notified and an immediate search had been instituted a search which did not end for over twenty years but the first fruits of it turned the hearts of the court to stone for there beside the open postern gate lay the dead bodies of Lady Maud and a certain officer of the Guards but nowhere was there a sign or trace of Prince Richard second son of Henry III of England and at that time the youngest prince of the realm Way back in the uttermost recesses of his little childish head he seemed to remember a time when his life and surroundings had been very different when instead of this old woman there had been many people around him and a

sweet faced woman had held him in her arms and kissed him before he was taken off to bed at night but he could not be sure maybe it was only a dream he remembered for he dreamed many strange and wonderful dreams The Outlaws of Torn Edgar Rice Burroughs,2018-10-14 The Outlaw of Torn is a historical novel by Edgar Rice Burroughs originally published as a five part serial in New Story Magazine from January to May 1914 and first published in book form by A C McClurg in 1927
