Star People, Sky Gods and Other Tales of the Native American Indians G.W. Mullins, 2018-02-05 In Native American history there are many legends about UFOs gods and aliens There has always been a connection between Native Americans and beings from other parts of the universe referred to as Star People Perhaps due to familiarity with celestial fixtures it has been easier for Native Americans to relate events they have experienced on earth with things such as the formation of the Pleiades The experience of tribal individuals with the Pleiades is featured quite prominently in legends across many tribes including Cherokee Onondaga Lakota and others It is not hard to believe they would identify an event with a star being the nature and history of tribes was to exist outdoors The night sky would be paid much more attention by one who did not live indoors Regardless of the tribe or the whether the interaction is through a god or star people there is proof that the ancient people of North America believed they have been visited by unexplainable beings from the heavens The stories in the collection tell of many different tribes and their experiences and the outcome of walking with these beings

Story Teller An Anthology Of Folklore From The Native American Indians G.W. Mullins,2018-02-12 Before the time of books computers tablets and recording devices the history of many cultures was passed down from person to person by word of mouth The rich histories of so many people were told in songs chants poems and stories This was and still is the way of Native American tribes Each in its own way enriching their stories with their own experiences By exploring these stories you will be offered you a glimpse into an often forgotten past By reliving these stories and songs we have the opportunity to bring life back to the ancient spirits that created them We have a chance to walk with the spirits of the past These stories were passed from one generation to the next And now these stories are given to you to carry forward for younger generations to explore and learn The mythology of North America is a cultural treasure house but many of these myths and legends are hidden away in various old and rare books It would be difficult for the average person to track down and collect this material because the rarity of some of these books makes them hard to acquire So this vast body of wisdom lies out of reach of most people until now Included in this anthology are over 100 stories in the categories of Star People Animal Tales People Tales War Tales Origin Tales and Ghost Tales Among the stories collected are Origin of the Sweat Lodge The Story of Po a The Story of the Land of Northern Lights Tale of the Lazy Boys Who Became the Pleiades The Moon and the Thunders The Two War Gods and the Two Maidens The First War A Widow s Revenge A War Between the Alabama And the Choctaw The Death of Head Chief and Young Mule Two War Trails Escape of The Seneca Boys The End of The First World Mistakes of Old Man Iktomi s Blanket Iktomi and the Muskrat Beaver Medicine The Badger and the Bear The Tree Bound The Simpleton s Wisdom Crossing the Red Sea Wakiash and the First Totem Pole The Dogs of the Chief s Son The Orphan Boy Captured by the Bad Thunderbirds Godasiyo the Woman Chief Lodge Boy and Thrown Away s Father Blue Corn Maiden and the Coming of Winter The Beginning of Newness The Origin of the Society of Rattlesnakes Origin of the Raven and the Macaw How Glooskap Found the Summer Raven s Great Adventure How Raven Lost His Beak Apache Creation Story How
