Wendy Eileen Hoole Book:

Descendants of James and Jane Hoole Wendy Eileen Hoole, Ross Johnathan Hoole, 1993 *South African national bibliography*, 1998 Classified list with author and title index

Knighthood in the Morte Darthur Beverly Kennedy, 1992 A lucid and rich analysis eminently suited to students at undergraduate and graduate levels CHOICE Beverly Kennedy puts Malory's concern with knighthood at the very heart of the *Morte Darthur*. She identifies three types of knight: the Heroic Gawain, the Worshipful Tristram, and Arthur and the True Lancelot. Gareth and the Grail Knights, and argues that this knightly typology creates the thematic unity of the *Morte Darthur*. It also allows Malory to develop two quite different contexts: one pragmatic and political, the other religious and providential, within which the reader may judge why Arthur's reign ended in catastrophe. BEVERLEY KENNEDY is Professor of English at Marianopolis College, Canada.

The Gatsby Affair Kendall Taylor, 2018-08-08 The romance between F. Scott Fitzgerald and Zelda Sayre has been celebrated as one of the greatest of the 20th century. From the beginning, their relationship was a tumultuous one in which the couple's excesses were as widely known as their passion for each other. Despite their love, both Scott and Zelda engaged in flirtations that threatened to tear the couple apart. But none had a more profound impact on the two and on Scott's writing as the liaison between Zelda and a French aviator, Edouard Jozan. Though other biographies have written of Jozan as one of Scott's romantic rivals, accounts of the pilot's effect on the couple have been superficial at best. In *The Gatsby Affair*, Scott, Zelda, and the Betrayal That Shaped an American Classic, Kendall Taylor examines the dalliance between the southern belle and the French pilot from a fresh perspective. Drawing on conversations and correspondence with Jozan's daughter, as well as materials from the Jozan family archives, Taylor sheds new light on this romantic triangle. More than just a casual fling, Zelda's tryst with Edouard affected Scott as much as it did his wife and ultimately influenced the author's most famous creation, Jay Gatsby. Were it not for Zelda's affair with the pilot, Scott's novel might be less about betrayal and more about lost illusions. Exploring the private motives of these public figures, Taylor offers new explanations for their behavior. In addition to the love triangle that included Jozan, Taylor also delves into an earlier event in Zelda's life: a sexual assault she suffered as a teenager, one that affected her future relationships. Both a literary study and a probing look at an iconic couple's psychological makeup, *The Gatsby Affair* offers readers a bold interpretation of how one of America's greatest novels was influenced.
