Lie and non-Lie Symmetries: Theory and Applications for Solving Nonlinear Models Roman M. Cherniha,2018-07-06 This book is a printed edition of the Special Issue Lie Theory and Its Applications that was published in Symmetry The Interplay of Stress, Health, and Well-Being: Unraveling the Psychological and Physiological Processes Adelinda Araujo Candeias,Mariola Bidzan,Konrad Reschke,Edgar Galindo,Marcus Stueck,2024-09-04 This Research Topic explores the intricate relationship between stress health and well being with a focus on the underlying psychological and physiological processes involved The aim is to shed light on the complex interplay between these factors and provide insights into potential interventions and strategies for promoting optimal mental and physical well being It encompasses both theoretical perspectives and empirical research emphasizing the need for interdisciplinary collaboration and a comprehensive understanding of stress health and well being The Impact of Chronic Stress on Physical Health Examining the physiological processes through which chronic stress contributes to physical health problems such as cardiovascular diseases immune dysregulation and metabolic disorders Investigating the role of stress related behaviors e g poor sleep unhealthy eating habits sedentary lifestyle in mediating the relationship between stress and physical health outcomes Discussing potential interventions and preventive measures to mitigate the adverse effects of chronic stress on physical well being **Students Must Rise** Ann Heffernan,Noor Nieftagodien,Sifiso Mxolisi Ndlovu,Bhekizizwe Peterson,2016-06-01 A detailed account of the incredibly influential Soweto Student Uprising of 1976 The Soweto Student Uprising of 1976 was a decisive moment in the struggle against apartheid It marked the expansion of political activism to a new generation of young activists but beyond that it inscribed the role that young people of subsequent generations could play in their country s future Since that momentous time students have held a special place in the collective imaginary of South African history Drawing on research and writing by leading scholars and prominent activists Students Must Rise takes Soweto 76 as its pivot point but looks at student and youth activism in South Africa more broadly by considering what happened before and beyond the Soweto moment Early chapters assess the impact of the anti pass campaigns of the 1950s of political ideologies like black consciousness as well as of religion and culture in fostering political consciousness and organisation among youth and students in townships and rural areas Later chapters explore the wide reaching impact of June 16th itself for student organisation over the next two decades across the country Two final chapters consider contemporary student based political movements including RhodesMustFall and FeesMustFall and historically root these in the long and rich tradition of student activism in South Africa 2016 marks the 40th anniversary of the 1976 June 16th uprisings This book rethinks the conventional narrative of youth and student activism in South Africa by placing that most famous of moments the 1976 students uprising in Soweto in a deeper historical and geographic context **Botswana Investment and Business Guide**

Volume 1 Strategic and Practical Information IBP, Inc.,2015-09-11 Botswana Investment and Business Guide Volume 1 Strategic and Practical Information **The Truth about Crime** Jean Comaroff,John L. Comaroff,2016-12-05 This new book by the well known anthropologists Jean and John L Comaroff explores the global preoccupation with criminality in the early twenty first century a preoccupation strikingly disproportionate in most places and for most people to the risks posed by lawlessness to the conduct of everyday life Ours in an epoch in which law making law breaking and law enforcement are ever more critical registers in which societies construct contest and confront truths about themselves an epoch in which criminology broadly defined has displaced sociology as the privileged means by which the social world knows itself They also argue that as the result of a tectonic shift in the triangulation of capital the state and governance the meanings attached to crime and with it the nature of policing have undergone significant change also that there has been a palpable muddying of the lines between legality and illegality between corruption and conventional business even between crime and policing which exist nowadays in ever greater hyphenated complicity Thinking through Crime and Policing is therefore an excursion into the contemporary Order of Things or rather into the metaphysic of disorder that saturates the late modern world indeed has become its leitmotif It is also a meditation on sovereignty and citizenship on civility class and race on the law and its transgression on the political economy of representation **African Language Media** Abiodun Salawu,2020-11-16 This edited volume considers why the African language press is unstable and what can be done to develop quality African language journalism into a sustainable business Providing an overview of the African language journalism landscape this book examines the challenges of operating sustainable African language media businesses The chapters explore the political economy and management of African language media and consider case studies of the successes and failures of African language newspapers as well as the challenges of developing quality journalism Covering print and digital newspapers and broadcast journalism this book will be of interest to scholars of media and journalism in Africa New Engagement David Mickler,Tanya Lyons,2013-06-01 Recent developments in both Africa and Australia have brought the two continents closer together In Africa a resources boom greater political stability and the creation of the new regional institutions have contributed to economic and human development even if many challenges including conflict poverty and exploitation remain Australia has commercial and political interests in Africa and if it wants to be a significant global actor must engage with both Africa s challenges and its growing international influence Since coming to power in 2007 Australian Labor governments have pursued new engagement with Africa after decades of relative neglect This book the first study of its kind explores the key contexts for and dimensions of contemporary Australian foreign policy towards Africa It highlights a deepening of diplomatic and political relations a trebling of the official aid budget to Africa and over 50 billion of Australian based investment in Africa s resources sector and suggests measures to make such engagement sustainable and of mutual benefit Contributions to the book come from academics civil servants diplomats and politicians *Indigenous Pathways into*

Social Research Donna M Mertens, Fiona Cram, Bagele Chilisa, 2016-06-03 A new generation of indigenous researchers is taking its place in the world of social research in increasing numbers These scholars provide new insights into communities under the research gaze and offer new ways of knowing to traditional scholarly models They also move the research community toward more sensitive and collaborative practices But it comes at a cost Many in this generation have met with resistance or indifference in their journeys through the academic system and in the halls of power They also often face ethical quandaries or even strong opposition from their own communities The life stories in this book present the journeys of over 30 indigenous researchers from six continents and many different disciplines They show in their own words the challenges paradoxes and oppression they have faced their strategies for overcoming them and how their work has produced more meaningful research and a more just society

Sol Plaatje's Native Life in South Africa Janet Remmington, Brian Willan, Bhekizizwe Peterson, 2016-10-01 Sheds new light on Native Life appearing at a critical historical juncture and reflects on how to read it in South Africa's heightened challenges today First published in 1916 Sol Plaatje's Native Life in South Africa was written by one of the South Africa's most talented early twentieth century black leaders and journalists Plaatje's pioneering book arose out of an early African National Congress campaign to protest against the discriminatory 1913 Natives Land Act Native Life vividly narrates Plaatje's investigative journeying into South Africa's rural heartlands to report on the effects of the Act and his involvement in the deputation to the British imperial government At the same time it tells the bigger story of the assault on black rights and opportunities in the newly consolidated Union of South Africa and the resistance to it Originally published in war time London but about South Africa and its place in the world Native Life travelled far and wide being distributed in the United States under the auspices of prominent African American W E B Du Bois South African editions were to follow only in the late apartheid period and beyond The aim of this multi authored volume is to shed new light on how and why Native Life came into being at a critical historical juncture and to reflect on how it can be read in relation to South Africa's heightened challenges today Crucial areas that come under the spotlight in this collection include land race history mobility belonging war the press law literature language gender politics and the state

The Stolen Bible Gerald O. West, 2016-08-09 The Stolen Bible tells the story of how Southern Africans have interacted with the Bible from its arrival in Dutch imperial ships in the mid 1600s through to contemporary post apartheid South Africa The Stolen Bible emphasises African agency and distinguishes between African receptions of the Bible and African receptions of missionary colonial Christianity Through a series of detailed historical geographical and hermeneutical case studies the book analyses Southern African receptions of the Bible including the earliest African encounters with the Bible the translation of the Bible into an African language the appropriation of the Bible by African Independent Churches the use of the Bible in the Black liberation struggle and the ways in which the Bible is embodied in the lives of ordinary Africans

The Bahurutshe Heinrich Bammann, 2016 The Bahurutshe explores the history culture and religion of the Bahurutshe in

the North West Province of South Africa The historical dates facts and events of Batswana are informed by verbal tradition This information attains greater transparency when the chiefs admit European missionaries into their midst In this book Chief Moiloa II plays a prominent role by leading his migratory tribe to settle at Dinokana and including the missionaries in his tribe The largest contribution towards this book was made by three missionaries from the Hermannsburg Mission Society who submitted numerous reports to their superiors in Germany The author Heinrich Bammann ministered a Lutheran congregation of the Bahurutshe for ten years Series Sources and Contributions to the History of the Hermannsburg Mission and the Lutheran Mission Work in Lower Saxony Vol 26 Subject Religious History African Studies Impacts of the Media on African Socio-Economic Development Nelson, Okorie,Ojebuyi, Babatunde Raphael,Salawu, Abiodun,2016-11-23 Technology and media are now integrated in various facets of society including social and economic development This has allowed for new and innovative methods for aiding in development initiatives Impacts of the Media on African Socio Economic Development is an essential research publication for the latest scholarly information on societal and economical dimensions of development and the application of media to advance progress Featuring extensive coverage on many topics including gender empowerment international business and health promotion this book is ideally designed for government officials academics professionals and students seeking current research on social realities and achieving further development in emerging economies Political Science in South Africa Peter Vale,Pieter Fourie,2016-01-13 In 2013 and in 2014 respectively the South African Association of Political Studies SAAPS and Politikon the South African Journal of Political Studies celebrate their 40th anniversary Also in April 2014 South Africa celebrates twenty years since the advent of the post Apartheid democracy and the birth of the rainbow nation This book provides a timely account of the birth and evolution of South African politics over the past four decades but also of the study of Political Science and International Relations in this country Fourteen political scientists contribute chapters to this volume situating the study of politics within its global context and recounting the development of politics as a field of study at South African universities The fourteen contributions evaluate the state of the discipline s and suggest conclusions that are surprising and in many instances unsettling not only with regards to what and how politics is taught but also how its study has variously gained and lost pertinence for South Africans understanding of their own polity as well as its place in the world The implications are uncomfortable and pose interesting challenges for South African scholarship pedagogy and national self reflection This book was published as a special issue of Politikon The Statesman's Year-Book 1985-86 J. Paxton,2016-12-27 The classic reference work that provides annually updated information on the countries of the world The Archaean Geology of the Kaapvaal Craton, Southern Africa Alfred Kröner,Axel Hofmann,2019-02-20 This book provides a comprehensive overview of the evolution of one of the oldest and best exposed Archaean cratons on this planet There is currently a renewed interest in the early Earth and the Kaapvaal craton has long served as a model for early crustal evolution This unique multidisciplinary resource

features information on geology tectonics geochemistry and geochronology It offers a wealth of new data on various aspects of the craton as well as contributions on the various crustal units by international specialists *Not Without a Fight* Helen Zille,2016-10-07 Helen Zille's long awaited autobiography is one of the most fascinating political stories of our time Zille takes the reader back to her humble family origins her struggle with anorexia as a young woman her early career as a journalist for the Rand Daily Mail and her involvement with the End Conscription Campaign and the Black Sash She documents her early days in the Democratic Party and the Democratic Alliance at a time when the party was locked in a no holds barred factional conflict And she chronicles the intense political battles to become mayor of Cape Town leader of the DA and premier of the Western Cape in the face of dirty tricks from the ANC and infighting within her own party This is a story about political intrigue and treachery floor crossing and unlikely coalitions phone tapping and intimidation false criminal charges and judicial commissions It documents Zille's courageous fight against corruption and state capture and her efforts to realign politics and entrench accountability And it describes a mother's battle to raise children in the pressured world of South African politics This book is as frank honest and unflinching as Helen Zille herself and will appeal to anyone interested in the story of South African politics over the past fifty years *Kwaito's Promise* Gavin Steingo,2016-06-15 Examines kwaito as it has developed alongside the democratization of South Africa over the past two decades Tracking the fall of South African hope into the disenchantment that often characterizes the outlook of its youth today who face high unemployment extreme inequality and widespread crime Steingo looks to kwaito as a powerful tool that paradoxically engages South Africa's crucial social and political problems by in fact seeming to ignore them **Worlds Elsewhere** Andrew Dickson,2016-04-05 There are 83 copies of the First Folio in a vault beneath Capitol Hill the world's largest collection Well over 150 Indian movies are based on Shakespeare's plays more than in any other nation If current trends continue there will soon be more high school students reading *The Merchant of Venice* in Mandarin Chinese than in early modern English Why did this happen and how Ranging ambitiously across four continents and 400 years *Worlds Elsewhere* is an eye opening account of how Shakespeare went global Seizing inspiration from the playwright's own fascination with travel foreignness and distant worlds Dickson takes us on an extraordinary journey from *Hamlet* performed by English actors tramping through Poland in the early 1600s to twenty first century Shanghai where Shashibiya survived Mao's Cultural Revolution to become an honored Chinese author En route we visit Nazi Germany where Shakespeare became an unlikely favorite and delve into the history of Bollywood where Shakespearian stories helped give birth to Indian cinema In Johannesburg we discover how Shakespeare was enlisted into the fight to end apartheid In California we encounter him as the most popular playwright of the American frontier Both a cultural history and a literary travelogue the first of its kind *Worlds Elsewhere* explores how Shakespeare became the world's writer and how his works have changed beyond all recognition during the journey **Handbook of Research on Theoretical Perspectives on Indigenous Knowledge**

Systems in Developing Countries Ngulube, Patrick, 2016-09-12 There has been a growth in the use acceptance and popularity of indigenous knowledge High rates of poverty and a widening economic divide is threatening the accessibility to western scientific knowledge in the developing world where many indigenous people live Consequently indigenous knowledge has become a potential source for sustainable development in the developing world The Handbook of Research on Theoretical Perspectives on Indigenous Knowledge Systems in Developing Countries presents interdisciplinary research on knowledge management sharing and transfer among indigenous communities Providing a unique perspective on alternative knowledge systems this publication is a critical resource for sociologists anthropologists researchers and graduate level students in a variety of fields

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
