**Raising a West Highland White Terrier Dog** Jace Cooper,2024-01-23 The West Highland White Terrier or Westie for short is a toy terrier dog breed of Scottish ancestry These canines have a reputation for being active and cheerful in addition to their unique appearance Key features and background on the West Highland White Terrier are listed below

- 1 The West Highland White Terrier is a small compact dog with a double coat of straight firm white fur Their dark almond shaped eyes and short perked up ears give them a lively alert appearance You can either dock the tail or wear it long and free They have a lovely and unique appearance overall
- 2 West Highland White Terriers are a toy dog breed hence they are quite little They normally weigh around 15 20 pounds 7 9 kg and have an average height of 10 11 inches 25 28 cm at the shoulder
- 3 Westies have an exuberant self assured and sociable temperament They have a lot of character and are known for their feistiness They have the potential to be very loving and devoted companions They need to be socialized and trained from a young age because of their independence and stubbornness
- 4 As an energetic breed Westies need regular physical activity for their own good health and happiness They need daily walks and recreation to burn off their excess energy
- 5 Regular brushing is necessary to prevent matting of the breed s white coat and maintain its cleanliness To keep their coat in good shape Westies need to be brushed on a regular basis and trimmed or hand stripped sometimes Taking care of your teeth and ears on a regular basis is also crucial
- 6 Although West Highland White Terriers are typically healthy they are susceptible to a few common health concerns found in other dog breeds such as skin ailments hip dysplasia and a few inherited disorders It s crucial to find a reputable breeder who screens for these health conditions to lessen the risk
- 7 Historically West Highland White Terriers have been used to hunt foxes and other burrowing creatures In order to prevent them from being mistaken for their prey they were developed to have a white coat They were originally bred for work but over time they became popular pets and show dogs In general West Highland White Terriers are beloved for their adorable looks and enthusiastic demeanors In the right home they can be loving companions and devoted members of the family
