Evans once wrote of Martin this is a book to help you feel seen in your spiritual journey and all its complexities and to find resurrection even where you least expect it Word Made Flesh John Main,2013-01-02 Offers insights into the kind of prayer that enables us to bring the whole of our being to God and to let the power released into the world by the life death and resurrection of Jesus flow through our hearts and into the world **Silence and Stillness in Every Season** John Main,Main,1997-12-31 Many thousands of people across the world have found their spiritual lives enriches by the daily practice of Christian meditation the method of silent prayer taught by Benedictine monk John Main It is a tradition which draws on the ancient wisdom of the Bible the Hindu Upanishads and the early Christian Desert Fathers John Main wrote several books on contemplative prayer before he died in 1982 but this collection is the only one to draw the essence of all his teachings into one volume Paul Harris has devotedly selected the essential extracts from each of John Main s works and arranged them here in an attractive and practical daily readings format Jet ,1981-11-12 The weekly source of African American political and entertainment news *Initiation of the Soul* Pamela S. Alexander PhD,2019-12-11 We are in the midst of an epic evolution in consciousness that involves a radical shift in orientation from the ego to the heart and soul This transformative process requires a breaking down of the old form which we are witnessing personally and collectively to create the space for something new to emerge As we live from the soul and express our deepest truths we actively participate in this change Life experiences may seem as though they re random but in fact they have an intention deeper meaning and purpose which is to facilitate this transformation within us Everything is occurring to free us from our old beliefs outdated ways of living and any limiting ideas we have about life and ourselves In INITIATION OF THE SOUL Dr Pamela Alexander explores the soul s journey through myth and classic fairy tales In the initiatory mythic story of Psyche and Amor the goddess of love orchestrates events in order to awaken the soul from its slumber The heroine faces challenging tasks that draw the deeper truth of the soul s inherent wholeness freedom and power out of the unconscious and into an embodied awareness Dr Alexander proceeds from there to explore fairy tales that speak to the issues that arise during the soul s emergence These stories symbolically instruct us as to how to resolve our fears and open to love As inner restrictions are resolved we can embody expanded versions of ourselves and become more stable in a chaotic and uncertain world The stories guide us to free the soul from an egoic identification which is buffeted by the winds of change and the opinions of others to the unshakeable ground of being within Then we are empowered to live in freedom and wholeness as we participate in the creation of a new world *105 Esoteric Traditions of the World Book IV: Future Seeds of Sealed Wisdom: Ayahuasca Vedanta Alchemy Kabbalah Damanhur Rainbow Body Starseed Christianity Feminine Animism Dream Yoga Digital Shamanism Taoist-Tibetan Geometry Tensegrity* Laing Z. Love Is Stronger Than Death Peter Kreeft,2011-04-06 In one of his most penetrating books Kreeft ponders the meaning of a terminal illness we all have death The three vital questions of Life Death and God are approached through a variety of human experiences Kreeft's book is a new statement of the Christian vision the meaning of our existence and of death is the fulfillment of our deepest desire for the infinite joy and love of God **The Giving Crisis** Andrew McNair,2023-04-04 The contemporary church faces a financial crisis of epic proportions The reason is simple While wealthier than any generation in

history many believers do not consider tithing or generosity to be part of their Christian lifestyle Join the Giving Generation and discover Why you feel poorer despite making more than ever The simplest way to shed financial stress The one thing keeping you from experiencing greater wealth and opportunity How to leave a true legacy to your children An amazing vision for what your generosity can accomplish Genuine joy and freedom in your financial life A Giving Crisis can only be remedied by a Giving Generation I believe we have everything we need to become that generation to learn the upside down world of Christ and become the most generous generation in human history in addition to being the most wealthy If you long for financial freedom boundless joy and deep satisfaction join the Giving Generation
