Throughout the game you will take turns playing 3 different characters Emem a female Toreador who dislikes the Court and can be brash Galeb the Ventrue protector of the Camarilla the main group of vampires in Boston and Leysha a mother and Malkavian seer whose visions are important to the Camarilla's leader Prince Hazel Each has their own tale to tell but how they act and respond to the world around them and whether they survive thrive or fall is entirely up to you This Walkthrough will take you through the entire game and it includes all possible routes interactions items dialogue choices and basically anything and everything important Following it will also guarantee you the Platinum in the shortest amount of time possible and will prevent you from needing two or more playthroughs
