New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Dear Theo**
Irving Stone,Jean Stone,1995-09-01 Written from the heart and without restraint alive The New York Times Vincent van Gogh the great but tormented artist bared his tortured yet ecstatic soul in his letters to his confidant and companion his beloved brother Theo These letters reveal the man behind such masterpieces as The Starry Night and The Bedroom a desperate man whose quest for love became a flight into madness and for whom every day was a fight for life Irving Stone acclaimed author of Lust for Life and other remarkable biographic novels has collected Vincent van Gogh s fascinating letters to Theo Here we see the great artist as a human being as well as a man with an appointment with destiny Van Gogh is a man struggling with doubts and fears beset by poverty and mental illness but also a painter who dares to break all the rules of academic art to create priceless masterpieces never honored during his lifetime He was part of the coterie of great artists of his day while at the same time an intimate of aging streetwalkers These letters are outpourings of his soul that paint a vibrant self portrait in words equal to the intensity and emotion his painting created This is the personal story of a legend **Van Gogh** Fred Leeman,2013-11 Developed in close collaboration with the Van Gogh Museum written by the museum s former chief curator dr Fred Leeman and narrated by Academy Award winner Dame Helen Mirren this audio biography provides you with a highly accessible and lively expert account of Van Gogh s life in just under two hours The accompanying art booklets trace the development of his revolutionary work and its increasingly successful reception up to this day Helen Mirren narrates the story of Vincent s struggle for recognition and his existential doubts about the value of success Vincent s quest to live an authentic artistic life is an endeavor that speaks to our shared human uncertainties and strengths Here for the first time the artist s marketing acumen his protracted struggle for recognition and his ultimate refusal of that same recognition are put center stage The booklets allow you to reflect on Van Gogh s work while listening and illustrate in lavish detail how his oeuvre was catapulted to ever greater fame after his tragically early death Taken together the audio biography art book lets you follow Van Gogh s challenging ascent from a late and unpromising start to the heights of his current reputation

Van Gogh Vincent van Gogh, 2011-07-01 Vincent van Gogh s life and work are so intertwined that it is hardly possible to observe one without thinking of the other Van Gogh has indeed become the incarnation of the suffering misunderstood martyr of modern art the emblem of the artist as an outsider An article published in 1890 gave details about van Gogh s illness The author of the article saw the painter as a terrible and demented genius often sublime sometimes grotesque always at the brink of the pathological Very little is known about Vincent s childhood At the age of eleven he had to leave the human nest as he called it himself for various boarding schools The first portrait shows us van Gogh as an earnest nineteen year old At that time he had already been at work for three years in The Hague and later in London in the gallery Goupil Co In 1874 his love for Ursula Loyer ended in disaster and a year later he was transferred to Paris against his will After a particularly heated argument during Christmas holidays in 1881 his father a pastor ordered Vincent to leave With this final break he abandoned his family name and signed his canvases simply Vincent He left for Paris and never returned to Holland In Paris he came to know Paul Gauguin whose paintings he greatly admired The self portrait was the main subject of Vincent s work from 1886c88 In February 1888 Vincent left Paris for Arles and tried to persuade Gauguin to join him The months of waiting for Gauguin were the most productive time in van Gogh s life He wanted to show his friend as many pictures as possible and decorate the Yellow House But Gauguin did not share his views on art and finally returned to Paris On 7 January 1889 fourteen days after his famous self mutilation Vincent left the hospital where he was convalescing Although he hoped to recover from and to forget his madness but he actually came back twice more in the same

year During his last stay in hospital Vincent painted landscapes in which he recreated the world of his childhood It is said that Vincent van Gogh shot himself in the side in a field but decided to return to the inn and went to bed The landlord informed Dr Gachet and his brother Theo who described the last moments of his life which ended on 29 July 1890 I wanted to die While I was sitting next to him promising that we would try to heal him he answered *La tristesse durera toujours* The sadness will last forever
