Stand the base in the upright position. Assemble the mid section onto the base, taking care not to trap internal mains wire.

Insert the two nuts into the recesses located on the left and right sides of the base. While holding the nuts in place, insert the two medium length screws through the front of the mid section and tighten.

Slide the upper handle down onto the unit. Insert the nut into the recess in the back of the upper handle. While holding the nut in place, insert the long screw through the front of the upper handle and tighten. Run the mains wire above the upper cord hook and secure with the cord clip.
