Vanini L Conservative:

Comprehensive Esthetic Dentistry Florin Lăzărescu, 2019-09-16 Nothing can replace the sense of professional fulfillment and personal reward that comes from successfully restoring a patient's smile. This book, which serves as a complete primer on esthetic dentistry, is aimed at that precise reward. Informed by the latest scientific research and clinical evidence, the authors provide readers with keen insight into the artistic aspects essential to achieving a truly esthetic outcome. Preliminary chapters cover esthetic analysis, effective treatment planning, use of digital dental photography, and the importance of interdisciplinary collaboration. Further chapters outline effective treatment protocols, including the principles of ultraconservative restoration, tooth whitening, anterior and posterior all-ceramic restorations, in-office CAD/CAM technology, implant placement, and soft tissue management in the esthetic zone, and the usage of minimally invasive procedures. This book, in its extensive knowledge and passionate voice, represents the union of function and beauty in dentistry and, in doing so, establishes itself as a comprehensive resource in the field of dental esthetics. **Direct Restorations** Marius

Bud, 2024-05-31 This book is a practical guide to direct restorative treatments, offering multiple examples of alternative techniques for the quick and predictable resolution of cases. It gives an overview of all stages of patient management, including technical support, ergonomics, working technique, and workflow of the treatment stages. Up-to-date guidance is provided on tools, materials, diagnosis, and planning protocols, as well as on pre-restorative procedures. Layering and morphology modelling techniques of the anterior and posterior teeth are covered in detail, and methods for direct proximal wall restoration are explained. Readers will find guidance on restorative techniques for cervical lesions, injection moulding, occlusal adaptation, and the management of failures. The book is a valuable companion explaining all the stages needed to achieving good, predictable, and long-term prognostic results in an efficient manner, with respect to clinical principles proven and validated by academic studies. **Minimally Invasive Esthetics** Avijit Banerjee, 2015-03-04

en el detalle The Enlightenment that Failed Jonathan I. Israel, 2019-11-28 The Enlightenment that Failed explores the
growing rift between those Enlightenment trends and initiatives that appealed exclusively to elites and those aspiring to
enlighten all of society by raising mankind's awareness freedoms and educational level generally Jonathan I Israel explains
why the democratic and radical secularizing tendency of the Western Enlightenment after gaining some notable successes
during the revolutionary era 1775 1820 in numerous countries especially in Europe North America and Spanish America
ultimately failed He argues that a populist Robespierriente tendency sharply at odds with democratic values and freedom of
expression gained an ideological advantage in France and that the negative reaction this generally provoked caused a more
general anti Enlightenment reaction a surging anti intellectualism combined with forms of religious revival that largely
undermined the longings of the deprived underprivileged and disadvantaged and ended by helping albeit often unwittingly
conservative anti Enlightenment ideologies to dominate the scene The Enlightenment that Failed relates both the American
and the French revolutions to the Enlightenment in a markedly different fashion from how this is usually done showing how
both great revolutions were fundamentally split between bitterly opposed and utterly incompatible ideological tendencies
Radical Enlightenment which had been an effective ideological challenge to the prevailing monarchical aristocratic status
quo was weakened then almost entirely derailed and displaced from the Western consciousness in the 1830s and 1840s by
the rise of Marxism and other forms of socialism *Compendium of Continuing Education in Dentistry*, 2005 **Nouvelles
