

Dear Parents of ECA:

It's a pleasure for us to present to you the most important Vacation Bible School in the United States brought to Colombia in 2017.

VBS (Vacation Bible School) is a 5-day program, in which children between 5 and 12 years old, learn about Jesus in an extremely fun way, and completely immersed in English.

As they rotate through 7 stations with specific topics (imagination, art, cinema, among others) we reinforce Biblical ideas that will seal their hearts with God's living word.

We know that **VBS** is a powerful tool to bring the kingdom of God to our nation and we don't want any child between 5 and 12 years old to miss out.

This year, **VBS** brings "Shipwrecked" where we'll emphasize the truth that **JESUS RESCUES** us in any circumstance: when we feel alone, afraid, or if we fail.

We invite you to visit our official webpages: www.vbscolombia.com / www.facebook.com/vbscolombia to know more about us and access the sign up forms bit.ly/2vbtv0iz to guarantee a spot for your child.

The spots are limited. Don't miss out!

Sincerely,

Vbs Letters For Parents

R Barnett

Start a Vbs Program Carla Williams, Warner Press, 2001-04-02 [The Best VBS Workbook Ever!](#) Lisa Brown, 2017 Enables organizers to envision and implement a VBS program customized for the local church. Practical, comprehensive, from the ground up approach to VBS. Designing a Vacation Bible School program as opposed to choosing one of the many off-the-shelf packages is a labor of love. It considers the unique perspective of children and invests accordingly. It's a home-cooked meal compared to fast food. It sends a message to parents that a church values children enough to identify and meet their specific needs in their community at a particular moment in time. Well-designed VBS programs speak to children with respect, love, and patience, offering opportunity for authentic spiritual growth, not to mention an intentional theology that is reflective of the church. Finally, custom-designed VBS programs are a way to fully include children in the mission and ministry of the church rather than confine their unique gifts. This book provides Christian educators with the tools they need to assess the needs and resources in their congregation and to craft a creative program in response to that assessment. **The Best VBS Workbook Ever** offers direction and suggestions on theme, structure, logistics, program activities, staffing, and promotion. Audience: Episcopal and other mainline churches looking for something more original and thoughtful than typical pre-packaged VBS programs. Psychiatric Institutions and Society Stefanie Coché, 2024-03-15 The book probes how the serious and sometimes fatal decision was made to admit individuals to asylums during Germany's age of extremes The book shows that even during the Nazi killing of the sick relatives played an even more important role in most admissions than doctors and the authorities In light of admission practices this study traces how ideas about illness safety and normality changed when the Nazi regime collapsed in 1945 and illuminates how closely power configurations in the psychiatric sector were linked to political and social circumstances
