

Chapter 1

Vectors

4.4. Vectors in Two and Three Dimensions

1. What are your current sales per person (R) in the current territory?

2. Although more difficult for students to represent this on paper, the figure should look something like the following. Note that the volume is not in a context of the frame that there is in the rest of the figure because

In positions 3 and 4, we explicitly state that there is no reason to expect to find the other properties are being used.
