Time Without Becoming:

Time without becoming Aa. Vv., 2014-12-11T00:00:00+01:00 Time without becoming is the text of a lecture Quentin Meillassoux gave at the Middlesex University in May 2008 He makes a summary of the arguments he employed in After Finitude to overcome correlationism from the inside and to dismiss philosophies of becoming such as absolute idealism and vitalism In particular he explains the specificity of his speculative materialism by supporting the thesis of the reciprocal exteriority of matter and mind In her contribution Anna Longo challenges this perspective taking into account the issue of the genesis of the transcendental in Gilles Deleuze's philosophy

Don't Ask Dick; How to date the right man without becoming a one-night stand: Johanna Sparrow, 2015-03-02 Johanna Sparrow has done it again with her inspiring self-help book for single women looking for Mr Right while avoiding becoming a one-night stand Learn why you should have a list of questions for your date Learn why having sex too soon can cause you heartbreak Learn what your date really thinks of you Learn what signals lead to a one-night stand It's never good to keep a man around because of sex The process of getting to know someone should never be rushed Ladies you are looking for this person to be a major part of your life so why rush the process Dressing to get a man's attention through a more sexual side is one that calls for the question are you asking for Dick Don't make dating harder than it has to be by asking Dick to give you any attention since the only thing it's able to offer you is a one-night stand

God Without Being Jean-Luc Marion, 1995-06-15 Jean-Luc Marion advances a controversial argument for a God free of all categories of Being Taking a characteristically postmodern stance Marion challenges a fundamental premise of both metaphysics and neo-Thomist theology that God before all else must be Rather he locates a God without Being in the realm of agape of Christian charity or love This volume the first translation into English of the work of this leading Catholic philosopher offers a contemporary perspective on the nature of God An immensely thoughtful book It promises a rich harvest Marion's highly original treatment of the idol and the icon the Eucharist boredom and vanity conversion and prayer takes theological and philosophical discussions to a new level Norman Wirzba Christian Century

Being a Christian Without Being an Idiot! Brad Stine "God's Comic",2020-12-08 Jesus said The truth shall set you free which by implication must mean The false will imprison you From personal experiences in his ministry through comedy Brad Stine has chosen eleven concepts to consider as a Christian like All true Christians will be offended by the same things and Sinners are worse people than I am Are they really true or do we just believe them to be credible even though there s no biblical support for them More importantly how does the belief in their veracity affect non believers if we re wrong Brad has carefully considered these ideas as well as lived many of them Some of you reading this may disagree with some of his conclusions but if this book causes you to reevaluate what your faith means to you and in what shape it can come to you then it has done its job Christians are different from each other in our theology denominations and social interactions and you know what That s AS IT SHOULD BE Christians who have taken the If you don t all behave exactly like me then you re not really a Christian road have done the greatest disservice to furthering the Gospel Brad Stine is a treasure He delivers hard hitting truth while being insanely funny as though George Carlin had been filled with the Holy Ghost We need much more of his voice in our culture Eric Metaxas 1 New York Times Bestselling author of Bonhoeffer and host of the nationally syndicated Eric Metaxas Show

Playing and Reality Revisited Gennaro Saragnano,Christian Seulin,2018-05-01 *Playing and Reality Revisited* is the first volume of a new IPA series dedicated to the greatest writings of psychoanalysis More than forty years after its publication Donald W Winnicott s *Playing and Reality* is still a source of inspiration for numerous psychoanalysts The authors have invited some of the most eminent specialists of Winnicott s thinking to write on the most significant themes that the author discovered and highlighted brilliantly in his book They show how such concepts as transitional object and phenomena the use of an object and mirroring remain essential today and explore the way in which Winnicott conceived playing creativity cultural experience and adolescence demonstrating their contemporary relevance This book is both an homage to Winnicott and a fascinating extension of his work Plato and Levinas Tanja Staehler,2009-09-11 In the second half of the twentieth century ethics has gained considerable prominence within philosophy In contrast to other scholars Levinas proposed that it be not one philosophical discipline among many but the most fundamental and essential one Before philosophy became divided into disciplines Plato also treated the question of the Good as the most important philosophical question Levinas s approach to ethics begins in the encounter with the other as the most basic experience of responsibility He acknowledges the necessity to move beyond this initial dyadic encounter but has problems extending his approach to a larger dimension such as community To shed light on this dilemma Tanja Staehler examines broader dimensions which are linked to the political realm and the problems they pose for ethics Staehler demonstrates that both Plato and Levinas come to identify three realms as ambiguous the erotic the artistic and the political In each case there is a precarious position in relation to ethics However neither Plato nor Levinas explores ambiguity in itself Staehler argues that these ambiguous dimensions can contribute to revealing the Other s vulnerability without diminishing the fundamental role of unambiguous ethical responsibility The Medical Times and Gazette ,1861
