Discover the true story of a mom's thoughtful health journey and learn how these lessons can help you and your family live a more balanced, enjoyable life. It took months of doctors' visits and several illnesses for Erica Reid to uncover that her young son had multiple allergies and serious asthma. Her daughter, who had been experiencing skin irritation since birth, was diagnosed with food allergies as well. Thus began a cautious, thoughtful journey to more doctors and led the author to totally re-vamp her family's diet, detox her home, and as her children grew older, coordinate healthy routines for school and travel. Along the way, Reid developed complementary child-rearing strategies promoting respect, responsibility, creativity, spiritual balance, and love.
