

Middle Colonies Timeline

The Duke of York gained New Netherland and New Sweden which had been founded by Peter Minuit. He renamed the whole region Delaware. This area was a part of Pennsylvania until 1703 when Delaware created its own legislature.

Jacob Leisler (1640-1691) was a German immigrant who led the insurrection against local colonial officials from 1689 to 1691 in colonial New York.

New Jersey was settled. The Duke of York provided some land to Sir George Carteret and Lord John Berkeley who named their colony New Jersey. Here they provided freedom of religion and land. The two parts of the colony were not united into a royal colony until 1702.

The Great Migration, the mass migration of thousands of English people to the Americas that took place between 1630 and 1640.

1630 1638 1664 1682 1689 1702 1703

Delaware was settled, but this region was part of Pennsylvania until 1703 when it created its own legislature.

Quakers settled in Pennsylvania. The Quakers were persecuted in England and looked to have a colony in America with freedom of religion. William Penn received a grant, which the King called Pennsylvania.

The two parts of New Jersey were royally combined.
