**BAD:** How Television has Changed Our World - Too vast and not informative.

**GOOD:** The Electronic Babysitter: A Social History of the Uses of the Television - Gives an exact description of what the essay will be about.

**BAD:** The Ara Pacis Augustae - Unclear for people who do not know Latin.

**GOOD:** The Modern Historical Significance of the Ara Pacis Augustae to the City of Rome - Here the reader understands what they will be reading about.

**BAD:** The Most Poisonous Frog - Not clear enough.

**GOOD:** A Deadly Beauty: The Evolution of Skin Coloration and Toxicity of the Poison Dart Frog - It's clear.

**BAD:** A Brief History of Subcultures and How They Manifest Themselves in a Constantly Changing Socio-Economic Environment - Too long and complicated.

**GOOD:** Reconsidering Counterculture in Contemporary Society - Informative enough, brief, and to the point.

**BAD:** The Little Mermaid 29 Years Later: Selling a Harmful Sexist Message Through a Vivid and Attractive Image - Inappropriate language.

**GOOD:** The Projection of Gender Stereotypes in The Little Mermaid - Appropriate language.

*Words that Count: A Guide to Writing Analytical Essays about Fiction* Kate Sheckler, 2019-01-01 Language is complex Written or spoken the complexity of language makes the medium the versatile tool we need but also creates the potential for a wide variety of misunderstandings and mistakes Whether we are attempting to understand a piece of fiction or writing a text to make our thoughts comprehensible to others the complexity of language is both necessary and fraught That said the inevitable pitfalls don t mean we need to

sacrifice precision or accuracy This guide is a step by step process that offers hands on methods for accurate analysis and precise essay construction Chapter one deals with a variety of methods by which to approach stories and novels such that your analysis is structured on carefully constructed logical progression founded on the primary text rather than on hunches and guesswork and chapter two offers infrastructures and scaffolding on which any essay can be structured The structures included in chapter two are not a template and thus do not limit style or content rather they are based on a series of tasks that must be completed for an argument to be convincing As such the tasks offer a kind of map through the process of essay writing that always indicates your next step Contrary to accepted mythologies about analyzing fiction and writing essays neither is a guessing game and this text can help you remove the guesswork from your own process **How to Submit**

**Ethnicity and the American Short Story** Julie Brown,2013-05-13 How do different ethnic groups approach the short story form Do different groups develop culture related themes Do oral traditions within a particular culture shape the way in

which written stories are told Why does the community loom so large in ethnic stories How do such traditional forms as African American slave narratives or the Chinese talk story shape the modern short story Which writers of color should be added to the canon Why have some minority writers been ignored for such a long time How does a person of color write for white publishers editors and readers Each essay in this collection of original studies addresses these questions and other related concerns It is common knowledge that most scholarly work on the short story has been on white writers This collection is the first work to specifically focus on short story practice by ethnic minorities in America ranging from African Americans to Native Americans Chinese Americans to Hispanic Americans The number of women writers discussed will be of particular interest to women studies and genre studies researchers and the collections will be of vital interest to scholars working in American literature narrative theory and multicultural studies      **Thomas Merton** Patrick F. O'Connell, 2013 Thomas Merton the Trappist monk who died in 1968 was one of the great spiritual writers of the twentieth century His published works include a hundred volumes in many genres But it was perhaps in the essay that he found his natural element Especially in the last decade of his life Merton showed in his essays an increasing willingness to dispense with pre fabricated conclusions bringing his deeply spiritual profoundly Catholic sensibility to bear on matters beyond the usual religious and monastic milieu This volume is the first to provide a broad cross section of Merton s work as an essayist collecting pieces that reflect characteristic examples of his astonishing output and the fantastic breadth of his interests The 33 essays collected here range from interreligious dialogue to racial justice from the wisdom of the desert fathers to the novels of Faulkner and Camus from the nuclear threat to the philosophy of solitude and throughout the centrality of the Christian mystery to authentic human identity      *The Essays of Montaigne* Michel de Montaigne, 1925      **The Living Age** , 1926      *Alice Munro's Narrative Art* I. Duncan, 2011-11-21 Among the first critical works on Alice Munro s writing this study of her short fiction is informed by the disciplines of narratology and literary linguistics Through examining Munro s narrative art Isla Duncan demonstrates a rich understanding of the complex densely layered often unsettling stories      **Critical Essays on John Edgar Wideman** Bonnie TuSmith, Keith Eldon Byerman, 2006 This volume is an indispensable study of Wideman s oeuvre covering the full range of his career by addressing the key features of his fiction and nonfiction from 1967 to the present The essays in this book reflect the most advanced thinking on Wideman s prolific extraordinary art The collection features at least one article on each major work and includes the voices of both well established and emerging scholars Though their critical perspectives are diverse the contributors place Wideman squarely at the center of contemporary African American literature as an exemplar of postmodern approaches to literary art Several position Wideman within the context of his predecessors Wright Baldwin Ellison and within a larger cultural context of music and collective history The essays examine Wideman s complex style and his blending of African and Western cosmologies and aesthetics the use of personal narrative and his imaginative revisioning of forgotten historical events These insightful analyses cover virtually every stage of

Wideman's career and every genre in which he has written. A detailed bibliography of Wideman's work is also included. From Amazon.co.uk: *Essays in Arabic Literary Biography: 1850-1950* Roger Allen, Terri DeYoung, Joseph Edmund Lowry, Devin J. Stewart, 2009. The essays which discuss authors in a variety of literary genres and across the spectrum of the region concerned from Iraq in the East to Tunisia in the West provide clear evidence of the gradually changing roles of the indigenous and the imported which are an intrinsic feature of the movement known in Arabic as al-bahada cultural revival and the way in which Arab litterateurs chose to respond to the inspiration that such changes inevitably engendered. A Reader's Companion to the Short Story in English Erin Fallon, R.C. Feddersen, James Kurtzleben, Maurice A. Lee, Susan Rochette-Crawley, 2013-10-31. Although the short story has existed in various forms for centuries it has particularly flourished during the last hundred years. Reader's Companion to the Short Story in English includes alphabetically arranged entries for 50 English language short story writers from around the world. Most of these writers have been active since 1960 and they reflect a wide range of experiences and perspectives in their works. Each entry is written by an expert contributor and includes biography, a review of existing criticism, a lengthier analysis of specific works and a selected bibliography of primary and secondary sources. The volume begins with a detailed introduction to the short story genre and concludes with an annotated bibliography of major works on short story theory. **When I Grow Up, I Want to be a Writer** Cynthia MacGregor, 2001.
