Tkt Exam Past Papers:

The Post-Truth Era: Literature and Media Praveen Abraham, Raisun Mathew, 2021-08-18 This edited volume brings together authors across the world to share their ideas, views, contemplations, assessments, and theories about disinformation and post truth in literature and media from a multidisciplinary perspective. The book gives an idea as to how the emerging trend of truth crisis, fake news, and manipulated information leads to ideological antagonism, ethical conflicts, and geopolitical power struggles in society. It has got revealing chapters that discuss the propensity to inquire into the data that satisfies the overtones of the personal emotions and beliefs that undermines facts and truths. Being an observant set of structured ideas, having twenty-seven chapters, the book discusses diverse domains such as conspiracy ideologies, alt facts of the contemporary era, signs and science of truth, post truth politics of gender, political advertisements, realism and hyperreality, fifth estate, and the third space, posthuman, pataphysics, performativity, and fiction, media renunciation, identity dynamics, and cultural obliteration.
