The Unspoken Language of Men Dr. Ron Mercer Ph.D., 2011-12-29 BOOK SUMMARY Men are often stereotyped misunderstood judged and as a result inappropriately generalized into specific projected categories which oftentimes have nothing to do with their authentic self As a result from the time the little boy comes into our world he is greeted by an array of expectations obligations social roles etc which also oftentimes knock him off the track of who he actually is and what path he truly wants to take in life Because men as little boys throughout the ages have been raised to perform and to essentially not express or verbalize emotion or feelings their thoughts have gone unheard Thus the evolution of Unspoken Language a story if you will with specific academic descriptions of the social psychological as well as anthropological history of male behavior personality and expression of emotion The essence of the book is based on the Jungian archetype theory of how men are governed by ancient predispositions toward behavior and subsequently how it impacts their lives and interpersonal relationships It is my hope the Unspoken Language will open up a new paradigm of both understanding why men behave as they do as well as encourage men to explore ways to discover their own hidden language

Olive Dinah Maria Mulock Craik,1875 The Dark God Nicholas R. Mann,1996 It started in August of 1972 Nicholas R Mann like many other western spiritual seekers journeyed to the mystic East in search of enlightenment Instead he descended into darkness Set up and arrested for possession of a small quantity of hashish Mann was imprisoned at Bayrampasa the same hellish Turkish prison made famous by Willie Hayes in the book and the movie Midnight Express Rather than denying the darkness and brutality of life in prison Mann embraced it Virtually cut off from the rest of the world he turned to a daily practice of yoga and meditation His prison became his monastery Raw emotional and intense The Dark God chronicles Mann s spiritual odyssey Drawing upon the traditions of his ancestors life in prison became a shamanic vision quest While deep in this dark world he discovered a powerful transformative means through which the divine masculine can at last become whole and once more rejoin the divine feminine The Dark God reveals the true secrets of Men s Mysteries It brings the Dark God back into balance with the Goddess Included are rites that will open you to the Goddess and reconcile the majesty power and importance of the God in your life and the world By facing the fear and denial surrounding the mythic figure of the Dark God Nicholas Mann sheds light on the darker side of masculine spirituality
