The Beginning of a Beginning Michael S. Pendergast III, 2002-07-17 It would seem an odd way to approach the saga of creation But history is alive and so is our unlikely hero John O Connell A junior executive seeking his roots in Northern Ireland Jack finds that even a good deed can be deadly Now merely deceased Jack learns the hard way that death isn t the end Thus begins the tale of an average man murdered only to awaken between heaven and earth Aided by an old sage first mistaken for a madman Jack finds roots he never imagined and the terrors of being caught up in the war between Good and Evil Narrating the sage Jack s mentor enlists everyone who can help from warrior angels and cherubs to ex slaves atomic scientists and even a resurrected Atlantean Yet everytime Jack tries to grasp this new life another twist throws him for a loop How can a mortal especially a dead one cope with natural mysteries while living in an unnaturally mysterious place where telepathy and teleportation are normal and even thoughts can become real That s Jack s challenge if he s up to it and if he s willing to pay the price which is terrifyingly high indeed
