Time War Nick S. Thomas, 2014-11-13 Invasion is the first instalment in the epic new Time War series that throws futuristic supersoldiers enter an alternate history where they must fight the ultimate enemy in a world that is entirely alien to them The year is 2074 War has raged for twelve years and biological weapons have decimated much of the world's population Many have suffered degrees of mutation Faced with dwindling human resources both sides turn to genetic experiments to create enhanced supersoldiers in a desperate attempt to survive and win the war The Allies of the free world call these men Augmented and Psychologically Enhanced Servicemen Also known as A P E S The war is coming to a close and one squad of A P E S led by the fearless Sergeant Wyatt Corwin has a chance to kill the enemy leader Maximilian Villiers and end the war in one decisive action But in their final hour of victory Villiers cheats death by escaping through time in a machine he has kept secret from the world Corwin and his comrades have no choice but to pursue Villiers through time But they find themselves in the most unlikely of places the height of World War II Villiers has arrived ahead of them and allied himself with the Third Reich The Nazis' obsession with super weapons is fuelled by the deluded genius of Villiers Already they have begun to turn the tide of the war With the Soviet Union beaten and the Allies struggling to stave off defeat Corwin must locate Villiers and prevent him from changing the outcome of the war The security of the free world and the future of humanity is at stake

*An Outline of the End Times* PT Nicholson, 2016-12-15 An Outline of the End Times is written by a layperson for laypeople In an attempt to be comprehensive yet concise and thorough PT Nicholson explores prophetic scripture in relation to the end times He weighs up counterarguments of key issues that divide Christians regarding the tribulation and the millennium and carefully synthesizes an outline of events without overlooking difficulties Combined with exhaustive scripture references he uses charts tables maps sketches and graphs to explain issues and analyse topics as succinctly as possible About 25 percent of the Bible is prophecy and according to a well known and respected scholar on Bible prophecy John Walvoord five hundred of one thousand prophetic events remain unfulfilled Yet many Christians have only a vague notion of how end time events will unfold due to inadequate teaching and a shortage of comprehensively researched books on the subject An Outline of the End Times serves as a reference resource to help meet this need *Acts and Resolutions of the General Assembly of the State of Georgia* Georgia, 1905

Baran,2022-08-15 In June 1949 the Soviet state arrested seven farmers from the village of Bila Tserkva Not wealthy or powerful the men were unknown outside their community and few had ever heard of their small isolated village on the southwestern border of Soviet Ukraine Nevertheless the state decided they were dangerous traitors who threatened to undermine public order and a regional court sentenced them to twenty five years of imprisonment for treason In **To Make a Village Soviet** Emily Baran explores why a powerful state singled out these individuals for removal from society Bila Tserkva had to become a space in which Soviet laws and institutions reigned supreme yet Sovietization was an aspiration as much it was a reality The arrested men belonged to a small and misunderstood religious minority the Jehovah s Witnesses and both Witnesses and their neighbours challenged the government s attempts to fully integrate the village into socialist society Drawing from the case file and interviews with the families of survivors Baran argues that what happened in Bila Tserkva demonstrates the sheer ambition of the state s plans for the Sovietization of borderland communities A compelling history **To Make a Village Soviet** looks to Bila Tserkva to explore the power and the limits of state control and the possibilities created by communities that resist assimilation
