Minecraft in the Classroom Shane Asselstine,Dan Bloom,Stephen Elford,James E. York,2015 You ll find essential advice and captivating projects for using Minecraft to enhance students learning experience from educators using Mine craft in the classroom cover **John Muir's Last Journey** John Muir,2013-04-10 I am now writing up some notes but when they will be ready for publication I do not know It will be a long time before anything is arranged in book form These words of John Muir written in June 1912 to a friend proved prophetic The journals and notes to which the great naturalist and environmental figure was referring have languished unpublished and virtually untouched for nearly a century Until now Here edited and published for the first time John Muir s travel journals from 1911 12 along with his associated correspondence finally allow us to read in his own words the remarkable story of John Muir s last great journey Leaving from Brooklyn New York in August 1911 John Muir at the age of seventy three and traveling alone embarked on an eight month 40 000 mile voyage to South America and Africa The 1911 12 journals and correspondence reproduced in this volume allow us to travel

with him up the great Amazon into the jungles of southern Brazil to snowline in the Andes through southern and central Africa to the headwaters of the Nile and across six oceans and seas in order to reach the rare forests he had so long wished to study Although this epic journey has received almost no attention from the many commentators on Muir's work Muir himself considered it among the most important of his life and the fulfillment of a decades-long dream John Muir's *Last Journey* provides a rare glimpse of a Muir whose interests as a naturalist traveler and conservationist extended well beyond the mountains of California It also helps us to see John Muir as a different kind of hero one whose endurance and intellectual curiosity carried him into far fields of adventure even as he aged and as a private person and family man with genuine affections ambitions and fears not just an iconic representative of American wilderness With an introduction that sets Muir's trip in the context of his life and work along with chapter introductions and a wealth of explanatory notes the book adds important dimensions to our appreciation of one of America's greatest environmentalists John Muir's *Last Journey* is a must reading for students and scholars of environmental history American literature natural history and related fields as well as for naturalists and armchair travelers everywhere

Transformed Remi Adeleke, 2019-05-14 What would it take for one young Black man not only to rise above statistics but also become a Navy SEAL actor entrepreneur writer and successful husband and father In *Transformed* Remi Adeleke takes you back to stories from his childhood from living as Nigerian royalty to losing his father early in life and being stripped financially of everything by the Nigerian government Following his father's death he and his mother and brother relocated permanently to the Bronx where his single mother struggled to provide for the family Statistics tell us that African American males who grow up in a single parent household are nine times more likely to drop out of high school and twenty times more likely to end up in prison than any other demographic While it would have been easy to believe that he could never beat those odds Remi Adeleke refused to fall victim to that premise Sharing his incredible journey through the struggles of his life Remi doesn't shy away from his illegal activities as a young man that threatened to derail his future as a Navy SEAL He shares How perseverance transformed his life despite all odds How taking ownership of his mistakes and shortcomings led him to success His hard-earned wisdom gained over years of struggle Belief that the adversities trials and tribulations he went through were specific moves by God At every turn including throughout his naval career Adeleke found a way to overcome the odds even when it didn't make sense Remi Adeleke's journey of following God's voice rising above statistics and experiencing true personal transformation will inspire and move you
