Adventures in Graphica, Terry Thompson, 2023-10-10. Graphica is a medium of literature that integrates pictures and words and arranges them to tell a story or convey information, usually presented in a comic strip, periodical, or book form. AKA comics. It's no surprise comics have long been popular with kids and adults; some of our greatest heroes were introduced to us in comic form. Drawing on his own success using graphica with elementary students, literacy coach Terry Thompson introduces reading teachers to this popular medium in *Adventures in Graphica: Using Comics and Graphic Novels to Teach Comprehension, Grades 2-6*. In his book, Thompson explains how graphica can be an engaging and motivating tool for reluctant readers who often shun traditional texts. He suggests sources of appropriate graphica for the classroom and demonstrates how to fit this medium into the literacy framework and correlates with best

practices in comprehension vocabulary and fluency instruction Adventures in Graphica contains numerous easy to replicate instructional strategies including examples of how graphic texts can be used to create a bridge and students transfer abstract comprehension strategies learned through comics and graphic novels to traditional texts It is an excellent roadmap for teachers looking to add graphica to their classrooms Stories, Time and Again Jan Irving, 2005-11-30 Lively and imaginative book based programs make it easy to engage young learners while building their literacy and reading skills and their love of books and reading Your library or classroom will sizzle with excitement when you present these creative book based programs and you just may have as much fun as the kids Each of the ten chapters focuses on a popular theme or study area Tropical Rainforests Animals Down Under In the Know manners and more offering an annotated list of selected picture books and chapters books and two complete programs with step by step instructions materials lists and all the reproducible patterns scripts and stories you ll need Through reading storytelling puzzles creative dramatics writing exercises arts and crafts and more you can engage young learners while building their literacy and reading skills and their love of books and reading Children will delight in learning about amazing rainforest animals performing a skit based on myths from ancient Egypt writing their own fantasy stories and holding a mouth watering Medieval banquet Designed for public and school libraries these programs also fit beautifully into classroom studies Grades K 6 **Practice with Purpose** Debbie

Diller, 2023-10-10 In her 30 years as an educator Debbie Diller has closely examined classroom practice asking Why What s the purpose Watching primary students work successfully at literacy work stations she wondered with teachers Why don t we have upper grade students doing this Could we kick it up a notch In her new book Debbie shows teachers of grades three to six how to structure their classrooms so that all students can be successful doing meaningful independent work using literacy work stations Practice with Purpose offers guidance on establishing routines for independent reading and response writing as well as step by step instructions on how to set up and manage a variety of hands on literacy work stations appropriate for intermediate students Each chapter includes how to introduce the station innovative ways to use materials what to model to guarantee independence how to troubleshoot assessment and accountability ideas how the station supports student achievement on state tests reflection questions for professional development The extensive appendix includes time saving tools such as management board icons graphic organizers task cards and recommended Web sites and children s literature
