The Ugly Cry Danielle Henderson, 2021-06-08 They say comedy equals tragedy plus time This very funny account of an often miserable childhood is proof People What a strong funny heartbreaking memoir with a voice that is completely its own written by a woman who very much seems to be completely her own as well I loved it Elizabeth Gilbert New York Times bestselling author of Big Magic and Eat Pray Love An uproarious moving memoir about a grandmother s ferocious love and redefining what it means to be family If you fight that motherf ker and you don t win you re going to come home and fight me Not the advice you d normally expect from your grandmother but Danielle Henderson would be the first to tell you her childhood was anything but conventional Abandoned at ten years old by a mother who chose her drug addicted abusive boyfriend Danielle was raised by grandparents who thought their child rearing days had ended in the 1960s She grew up Black weird and overwhelmingly uncool in a mostly white neighborhood in upstate New York which created its own identity crises Under the eye rolling foul mouthed loving tutelage of her uncompromising grandmother and the horror movies she obsessively watched Danielle grew into a tall awkward Sassy loving teenager who wore black eyeliner as lipstick and was struggling with the aftermath of her mother s choices But she also learned that she had the strength and smarts to save herself her grandmother gifting her a faith in her own capabilities that the world would not have most Black girls possess With humor wit and deep insight Danielle shares how she grew up and grew wise and the lessons she s carried from those days to these In the process she upends our conventional understanding of family and redefines its boundaries to include the millions of people who share her story

This Close to Happy Daphne Merkin, 2017-02-07 A cleareyed insightful account of how she felt during her nosedives into despair shot through with a self awareness that helps readers cheer her on The New York Times A New York Times Book Review Favorite Read of the Year Despair is always described as dull writes Daphne Merkin when the truth is that despair has a light all its own a lunar glow the color of mottled silver This Close to Happy Merkin s rare vividly personal account of what it feels like to suffer from clinical depression captures this strange light Merkin has been hospitalized three times first in grade school for childhood depression years later after her daughter was born for severe postpartum depression and later still after her mother died for obsessive suicidal thinking Recounting this series of hospitalizations as well as her visits to myriad therapists and psychopharmacologists Merkin portrays the lifelong arc of her affliction beginning in a childhood largely bereft of love

and stretching into the present where she lives a high functioning life and her depression is manageable if not cured The opposite of depression she writes with characteristic insight is not a state of unimaginable happiness but a state of relative all right ness In this dark yet vital memoir Merkin describes not only the harrowing sorrow that she has known all her life but also her early redemptive love of reading and gradual emergence as a writer Written with an acute understanding of the ways in which her condition has evolved as well as affected those around her This Close to Happy is an utterly candid coming to terms with an illness that is still often stigmatized and shrouded in misunderstanding A mesmerizing memoir Booklist starred review Brings a stunningly perceptive voice to the forefront of the conversation about depression one that is both reassuring and revelatory Carol Gilligan author of In a Different Voice *But I Digretch* Gretchen Astro Turner,2022-09-29 Whimsical and zany but edged with darkness evocatively lyrical with goosebump eliciting endings Gretchen Astro Turner s 13 short stories in But I Digretch are for the romantic in all of us but also the cynic This fiction collection is for the surrealist and the dreamer It s for those who live by carpe diem or struggle to find their raison d etre those who love an addict or may be addicts themselves members of the LGBTQ community readers who are into vampire lore as well as those who know life may best be understood via metaphor and symbolism A logophile and a bibliophile with a Master of Arts in the Teaching of English Language Arts from Columbia University Turner has written a playful road map through storytelling and language
