**Neo-Victorian Lesbians on Screen** Sarah E. Maier,Rachel M. Friars,2025-09-09 In *Neo Victorian Lesbians on Screen* Maier and Friars argue that the on screen portrayal of lesbians situated in the long nineteenth century across various countries is at the very least a dual task the imperative project of revoicing lesbian silence and female companionship is complicated by the lack of and/or complex representation of such women in the past The adaptations with varying degrees of success carefully manipulate the gaze of the viewer to illustrate both how crucial the act of looking proves to be for lesbian attachment in these films and how the viewer's own gaze changes the way the lesbian is represented Maier and Friars consider the adaptations awareness of the audience and the ways in which the films implicitly acknowledge the stakes behind bringing the lesbian to life as it were in visual media Because screen adaptations disrupt historical distance by literally picturing Victorian subjects via a medium they did not have film adaptations of novels and biofictions and original

screenplays are challenged by the lesbian subject's vivid presence on screen. The lesbian is no longer a contained neo-Victorian presence in the othered nineteenth century but her very existence on screen signals her effervescent modernity which filmmakers alternately embrace or reject. *Sex, Time and Place* Simon Avery, Katherine M. Graham, 2016-10-06 *Sex Time and Place* extensively widens the scope of what we might mean by queer London studies. Incorporating multidisciplinary perspectives including social history, cultural geography, visual culture, literary representation, ethnography, and social studies, this collection asks new questions, widens debates, and opens new subject terrain. Featuring essays from an international range of established scholars and emergent voices, the collection is a timely contribution to this growing field. Its essays cover topics such as activist and radical communities and groups, AIDS and the city, art and literature, digital archives and technology, drag and performativity, lesbian London's notions of bohemianism and deviancy, sex reform and research, and queer Black history. Going further than the existing literature on Queer London which focuses principally on the experiences of white gay men in a limited time frame, *Sex Time and Place* reflects the current state of this growing and important field of study. It will be of great value to scholars, students, and general readers who have an interest in queer history, London studies, cultural geography, visual cultures, and literary criticism.

*The Victorian Woman Question in Contemporary Feminist Fiction* J. King, 2005-06-01. *The Victorian Woman Question in Contemporary Feminist Fiction* explores the representation of Victorian womanhood in the work of some of today's most important British and North American novelists including A. S. Byatt, Sarah Waters, Margaret Atwood, Angela Carter, and Toni Morrison. By analysing these novels in the context of the scientific, religious, and literary discourses that shaped Victorian ideas about gender, it contributes to an important interdisciplinary debate. For while showing the power of these discourses to shape women's roles, the novels also suggest how individual women might challenge that power through their own lives.

*Dramaturgy of Sex on Stage in Contemporary Theatre* Kate Mulley, 2024-01-16. *Dramaturgy of Sex on Stage in Contemporary Theatre* explores the dramaturgy of sex in contemporary works for the stage in the social, cultural, and historical context of the time and place during which they were written and performed. Comprising chapters by writers from across North America and Europe, the book covers an expansive range of plays, musicals, and dance performances from Broadway to the Fringe, from post-AIDS epidemic to post-COVID-19 pandemic. Analysing these intimate moments both textually and as staged through an intersectional and critical lens, it illuminates the way power structures are maintained and codified and how they can be queered and dismantled on stage and off. This examination of depictions of sex on stage attempts to understand from a dramaturgical and sociological perspective how these depictions have developed over time and how the rise of intimacy directors has responded to the changes within the contemporary theatrical landscape and in the world at large. This is an

essential companion for any scholar or practitioner looking to stage discuss or understand intimacy in performance
