The Road to Hell Series Bundle (Books 1-4) Brenda K. Davies, 2024-09-04 The first four books in the Road to Hell Series Book 1 Good Intentions River Thirteen years have passed since the war started bombs fell and the central states became a thing of the past When the war ended the government erected a wall to divide the surviving states from the destroyed ones I never expected to leave my town but unlike those who volunteered to go to the wall I wasn't given a choice Kobal I've spent my entire life with one mission reclaim my throne from Lucifer and fix what the angels tore apart when they cast him from Heaven I've never been closer to my throne yet I find myself risking everything because I can't stay away from her the woman who might be the key to destroying Lucifer Book 2 Carved River As the perilous journey across a country I believed destroyed begins I no longer know who I am or what I'm becoming With every passing day my abilities grow stronger as does my fear of what comes next Kobal With an unknown number of enemies between us and the gateway protecting River proves to be more difficult than I anticipated but I won't stop until I destroy Lucifer and reclaim River's heart Book 3 The Road River Standing at the entrance to Hell two things are evident I have no idea what I'm doing and the gateway is not closing Kobal I expected River to be at my side if we entered Hell but now she's gone in without me It's only a matter of time before Lucifer learns of her arrival in my world and sends his army after her Book 4 Into Hell River When I find myself face to face with Lucifer I realize what he wants from me could annihilate Hell and Earth Kobal As the battle for Hell rages the line between enemies and allies blurs I will do whatever it takes to protect River and destroy Lucifer but with everything around us unraveling many will be lost Due to sexual content violence and language this book is recommended for readers 18 years of age
