guard your faith When you understand a religion s origins and teachings you are in a better position to know how to proclaim the gospel of Jesus Christ as you take the good news to those in false religions *When Dinosaurs Fall* Orlando

Rodriguez,2020-02-17 I was born into the religion of Jehovah s Witnesses and was raised by my forebears with the single minded goal to be baptized in the name of the Lord Jehovah Lucky me There was a problem with this monomaniacal plan I was an atheist as far back as I could remember Before I continue I d like to make the following requisite statement which I think is very important to articulate I promised myself that I did not want to make another Jehovah s Witness bashing book There are plenty of those available I try to convey the intentional internal conflict that is nourished in the congregation and the ideologies used as brainwashing you to accept the truth It is important to note that the Jehovah s Witnesses are a cult just like every other religion but there is some real danger to this unusual sect of Christianity You will be called to sacrifice your child s life to God if they require a blood transfusion to save their life You will be forced into not pursuing higher education the sole purpose of your existence to preach the Good News Women are to be submissive to male counterparts at all times I can truly say that this is not the religion you should be looking at if you want answers to life s yearning questions *The Westminster Study Edition of the Holy Bible* ,1948 **Shutting the Door to the Kingdom of God** Eric Michael

Wilson,2022-08-20 This book uses the New World Translation of the Holy Scriptures to prove that all the teachings of Jehovah s Witnesses concerning the Last Days and the good news of salvation are unscriptural The author an elder of Jehovah s Witnesses for 40 years shares the results of the last ten years of his research into such Watch Tower teachings as the 1914 invisible presence of Christ the overlapping generation doctrine the failed prophecies of 1925 and 1975 the fact that the Governing Body had evidence long ago showing that 607 BCE was not the date of the Babylonian exile and most important of all the abundant evidence that the salvation hope offered to the JW Other Sheep is a Rutherford invention wholly without support in Scripture He also shares his experience on how Witnesses who continue to believe in Jehovah and Jesus can move beyond JW org without sacrificing their faith This is a must read for any Jehovah s Witness who is a seeker of truth and unafraid to put his or her beliefs to the test **Historical Dictionary of Jehovah's Witnesses** George D.

Chryssides,2019-05-15 Originating from a small group of Bible students who met under Charles Taze Russell s leadership and grew into an international Society to which the second leader Joseph Franklin Rutherford and gave the name Jehovah s Witnesses Two World Wars shaped Watch Tower attitudes to civil government armed conflict and medical innovations such as blood transfusion as well as to mainstream churches The twenty first century has seen some important changes in the Watch Tower organization and coverage is given to changes in organizational structure its use of the World Wide Web and its major relocation from Brooklyn to Warwick This updated second edition of Historical Dictionary of Jehovah s Witnesses contains a chronology an introduction and an extensive bibliography The dictionary section has over 300 cross referenced entries on key concepts themes and people relating to Jehovah s Witnesses This book is an excellent resource for students

researchers and anyone wanting to know more about Jehovah's Witnesses **Rescue Me from Myself** Dr. Ojo Joseph Bamidele, 2020-08-06 Who am I What can I know What ought I do We needed to work through the most important spiritual lessons which all of us must learn passion betrayal and forgiveness There is always a wilderness in us It's a very necessary crucial and divine detour to bring us home to ourselves after a lifetime of running away Many of us always want to fast track our lives journey Just because you failed at a relationship doesn't mean you are a failure We have to pass through the wilderness before getting to the promise land There are many stumbling objects on the path Wilderness is a bleak numbing word that instantly calls to mind a feeling of hopelessness nothingness barrenness and most of all a sense of powerlessness There's a reason that the biblical expression the voice of the one crying in the wilderness has come to mean abject abandonment You can wail and gnash your teeth all you want but in the Wilderness no one hears your heart tearing asunder except God who presumably sent you there Ironically according to ancient legend the word Wilderness didn't conjure up a place of punishment but rather a place of learning spiritual growth understanding healing and accomplishment It referred to a wellspring of Divine energy in the guise of despair hardship and pain your experience in the Wilderness was designed to prepare or propel you toward your destiny Or pry you loose from whatever was keeping you from it Still one does not enthusiastically sign up for the Wilderness cure the way we might for a restorative spell at Mount Everest or a confidence building week in a retreat camp Instead we are usually thrust into the Wilderness by horrific circumstances that not only try our souls but seriously call into question our belief in God In life the smarter you are the more things can scare you but to fear is one thing and to let fear grab you around the tail and swing you around is another What difference does it make if the things you're scared of are real or not You need to navigate your way through fear to achieve your big dream The Israelites of the Old Testament were lucky They wandered in the wilderness for forty years Most of us stumble through trial terror and triumphs of life's terrain a lot longer usually until we're ready willing and able to come face to face with the truth about ourselves But we don't know we're worthy of success until we set out in search of the Promise Land In this book you will also get the insight to Know when to say no Live to fight another day Success is progress Dream big Go the extra mile Who is your role model The down fall of a man Life is a risk Give me another chance Don't give up Pride Goes before a fall Courage to excel Dwelling in Possibilities Making a difference in a chaotic World and many more Get your copy now you will be glad you did There are moments that have made a difference in the trajectory of your life the successes and failure that have define you the loves and hates gains and losses promises and pain that have bound you the risks and ruins tumults and triumphs that set you free This is a unique book indeed Starlight Organization Hon George Adioni Sinclair says learn how to say I am sorry even if you are right If this message offends you in one way or the other I am sorry My apologies Reverend George Blessing *King of Cults-2nd Edition* David Bridges, 2015-08-23 David Bridges is a former Jehovah's Witness and is now an Episcopal Priest Dr Bridges reveals the truth about the Watch Tower Bible and Tract Society and the carefully designed

brainwashing and isolation tactics used to control its members and associates The life and practices of the Witnesses are explored and explained
