Derrick Puffett on Music Kathryn Bailey Puffett, 2017-07-05 I listen to a piece and ask myself what has made the greatest impression on me What has moved me the most about it what has excited me the most what it is I want to write about what sets my mind working what sets off my imagination Derrick Puffett's description to a group of Cambridge graduate students of his approach to listening and writing about music is clearly evident in the articles reprinted in this collection For the first time the book makes available in one place writings previously widely dispersed amongst many journals and symposia Resonances emerge that cross from essay to essay with the result that a larger coherent project is revealed Insistent on the need of music analysis to be accompanied by a wider historical knowledge Puffett believed strongly that the methods to be adopted on each occasion must be dictated by the music at hand His work on Bruckner Strauss Webern Zemlinsky Delius and Debussy is of enduring importance to the study of music With a prose style distinguished for its elegance and clarity Puffett's writings will enhance the understanding and enjoyment of the music that he discusses amongst students and teachers alike

The ^AOxford Handbook of the Global Stage Musical Robert Gordon, Olaf Jubin, 2023-11-14 In response to the rapid growth of musical theatre as a global phenomenon The Oxford Handbook of the Global Stage Musical offers new scholarly

approaches to issues arising from these new international markets The thirty three essays highlight major aspects of the genre such as the dominance of Western colonialism in its early production and dissemination racism and sexism both in representation and in the industry itself as well as current conflicts between global and local interests in postmodern cultures Featuring contributors from seventeen countries the essays offer informed insider perspectives that reflect the diversity of the subject and offer in depth examinations of specific cultural and economic systems

Music Into Fiction Theodore Ziolkowski, 2017 Illuminates unexplored dimensions of the music literature relationship and the sometimes unrecognized talents of certain famous writers and composers This book deals with three aspects that have been neglected in the burgeoning field of music and literature The First Movement of the book considers writers from German Romanticism to the present who like Robert Schumann first saw themselves as writers before they turned to composition or like E T A Hoffmann and Anthony Burgess sought careers in music before becoming writers It also considers the few operatic composers such as Richard Wagner and Arnold Schoenberg who wrote their own libretti The Second Movement turns to literary works based specifically on musical compositions This group includes first and more generally prose works whose author chose a specific musical form such as sonata or fugue as an organizational model And second it includes novels based structurally or thematically on specific compositions such as Bach's Goldberg Variations The Finale concludes with a unique case effort by modern composers to render musically the compositions described in detail by Thomas Mann in his novel Doktor Faustus This book which addresses itself to readers interested generally in music and literature and is written in a reader friendly style draws attention to unexplored dimensions of the music literature relationship and to the sometimes unrecognized talents of certain writers and composers Theodore Ziolkowski is Professor Emeritus of German and Comparative Literature Princeton University
