## **The Miniature Wife And Other Stories:**

**The Miniature Wife** Manuel Gonzales, 2014-02-04 In the tradition of George Saunders and Aimee Bender an exuberantly imagined debut that chronicles an ordinary world marked by unusual phenomena The eighteen stories of Manuel Gonzales s exhilarating first book render the fantastic commonplace and the ordinary extraordinary in prose that thrums with energy and shimmers with beauty In *The Artist s Voice* we meet one of the world s foremost composers a man who speaks through his ears A hijacked plane circles a city for twenty years in *Pilot Copilot* Writer Sound can kill in *The Sounds of Early Morning* And in the title story a man is at war with the wife he accidentally shrank For these characters the phenomenal isn t necessarily special but it s often dangerous In slightly fantastical settings Gonzales illustrates very real guilt over small and large marital missteps the intense desire for the reinvention of self and the powerful urges we feel to defend and provide for the people we love With wit and insight these stories subvert our expectations and challenge us to look at our surroundings with fresh eyes Brilliantly conceived strikingly original and told with the narrative instinct of a born storyteller *The Miniature Wife* is an unforgettable debut *Frank Sinclair's Wife, and Other Stories* Mrs. J. H. Riddell, 1874 [The Best Horror of the Year](#)

Ellen Datlow, 2014-05-20 This statement was true when H P Lovecraft first wrote it at the beginning of the twentieth century and it remains true at the beginning of the twenty first century The only thing that has changed is what is unknown With each passing year science technology and the march of time shine light into the craggy corners of the universe making the fears of an earlier generation seem quaint But this light creates its own shadows *The Best Horror of the Year* edited by Ellen Datlow chronicles these shifting shadows It is a catalog of terror fear and unpleasantness as articulated by today s most challenging and exciting writers The best horror writers of today do the same thing that horror writers of a hundred years ago did They tell good stories stories that scare us And when these writers tell really good stories that really scare us Ellen Datlow notices She s been noticing for more than a quarter century For twenty one years she coedited *The Year s Best Fantasy and Horror* and for the last six years she s edited this series In addition to this monumental cataloging of the best she has edited hundreds of other horror anthologies and won numerous awards including the Hugo Bram Stoker and World Fantasy awards More than any other editor or critic Ellen Datlow has charted the shadowy abyss of horror fiction Join

**Latinx Literature Unbound** Ralph E. Rodriguez,2018-05-08 Since the 1990s there has been unparalleled growth in the literary output from an ever more diverse group of Latinx writers Extant criticism however has yet to catch up with the diversity of writers we label Latinx and the range of themes about which they write Little sustained scholarly attention has been paid moreover to the very category under which we group this literature Latinx Literature Unbound thus begins with a fundamental question What does it mean to label a work of literature or an entire corpus of literature Latinx From this question others emerge What does Latinx allow or predispose us to see and what does it preclude us from seeing If the grouping which brings together a heterogeneous collection of people under a seemingly homogeneous label tells us something meaningful is there a poetics we can develop that would facilitate our analysis of this literature In answering these questions Latinx Literature Unbound frees Latinx literature from taken for granted critical assumptions about identity and theme It argues that there may be more salubrious taxonomies than Latinx for organizing and analyzing this literature Privileging the act of reading as a temporal meaning making event Ralph E Rodriguez argues that genre may be a more durable category for analyzing this literature and suggests new ways we might proceed with future studies of the writing we have come to identify as Latinx

**Hollow** Owen Egerton,2017-07-14 An NPR Best Book of the Year Hollow is the story of a professor whose life is unended after an unspeakable tragedy When Oliver Bonds a revered religious studies professor at the University of Texas loses his toddler son and undergoes intense legal scrutiny over his involvement grief engulfs him completely His life as he knows it is over Oliver loses his wife home and faith Three years after his son s death Oliver lives in a shack without electricity and frequents the soup kitchen where he used to volunteer It s only when befriended by Lyle a con artist with a passion for theories of Hollow Earth that Oliver begins to reengage with the world Oliver too becomes convinced that the inside of the planet might contain a different realm Desperate to find a place where he can escape his past Oliver chases after the most unlikely of miracles With unforgettable characters wild imagery and dark humor Hollow explores the depths of doubt and hope stretching past grief and into the space where we truly begin to heal With the kind of grace not usually seen in accessible modern fiction Egerton also invokes many other things with this central metaphor Ollie s voice is one of the most believable I ve encountered this year sustained by honesty realism and compassion In his exile Ollie has taken stock His reckoning with the past creates the story s exquisite tension and makes the final scene bloom with tenderness The core of Hollow is anything but NPR
