The Multiplier Making Disciple Makers:

The Disciple Maker's Handbook Bobby Harrington, Josh Robert Patrick, 2017-02-07 Many people believe that discipleship is important but they need help. In fact, the vast majority of Christians report that they have never been personally discipled by a more mature follower of Jesus. Is it any wonder that they have a difficult time knowing how to disciple others? If making disciples of Jesus is the greatest cause on earth, how should we equip people to do it? This handbook is a practical guide for how to embrace the discipleship lifestyle, being a disciple of Jesus, and how to make other disciples of Jesus. With contributions from pastors and teachers like Francis Chan, Jeff Vanderstelt, Bill Hull, Jim Putman, KP Yohannan, and Robert Coleman, the authors present seven elements that are necessary for disciple making to occur: Jesus, the original disciple maker and centerpiece of discipleship; Holy Spirit, who fuels the disciple making process; Intentionality, making disciples utilizing a strategy and a roadmap; Relationships, creating a loving, genuine connection with others who trust and follow Jesus; Bible, using the Word of God as the manual for making disciples; Journey, forging a traceable growth story from a new birth to spiritual parenthood; Multiply, reproducing the discipleship process so that the disciple becomes a disciple maker. Whether you are a parent who wants to disciple your children, a small group leader who wants to disciple those in your group, or a church leader who wants to disciple future leaders, the seven key elements in this handbook form a framework for understanding discipleship that can be applied in countless situations. In addition, there are questions provided in each section to help you think through how to apply the material to your disciple making efforts. Hero Maker Dave Ferguson, Warren Bird, 2018-03-13 In Hero Maker, you will learn how to bring real change to your church and community by developing the practical skills to help others reach their leadership potential. Drawing on five powerful practices found in the ministry of Jesus, Hero Maker presents the key steps of apprenticeship that will build up other leaders and provide strategies for how you can activate the gifts of those around you, help others take ownership of their mission, develop a simple scorecard for measuring your kingdom building progress. With rich insights from the Gospels, Hero Maker is packed with real-life ministry stories ranging from paid staff to volunteer leaders, from established churches to new church plants. Whether you lead ten people or ten thousand, Hero Maker will not only help you maximize your leadership impact but, in doing so, you will also help shift today's church culture to a model of reproduction and multiplication. Chicago pastor and church planter Dave Ferguson and award-winning writer Warren Bird make a compelling case that God's power and purpose are best revealed when we train and release others to further advance the Kingdom of God. By becoming a hero maker and investing in others, you can join a movement of influencers that are impacting thousands of people around the world. Everybody wants to be a hero, but few understand the power of being a hero maker. Disciple/Disciple-Maker Joseph W. Segree, 2023-02-28 The titles in this collection represent five key biblical applications for the Christian Disciple. Disciple Maker is about becoming a true disciple of Jesus Christ and helping others become His disciple. The Biblical Meaning of Greatness presents the humble

servant of Jesus Christ as the greatest in the kingdom of God Life in the Marketplace skillfully addresses the question How can I integrate my work and my ministry in such a way to find fulfillment in both The Problem of Tares employs the parable of the Wheat and the Tares to explain why there are so many unsaved people in churches today The Doctrine of Rewards is a Scripture filled study based upon the principle that grace does not eliminate accountability There are eternal consequences for temporal behavior The author s generous use of Scripture gives power to these messages and his clear well organized writing style makes them easy and enjoyable to read This collection will be a useful resource for the Christian who wants to impact others with the gospel and to enjoy a spiritually fruitful life and ministry **The Disciple-Making Pastor Bill**

Hull,2007-10-01 Christ commanded the church to make disciples to produce people who love and obey God bear fruit and live with joy The crisis at the heart of the church is that we often pay lip service to making disciples but we seldom put much effort behind doing it For the pastor who is ready to put words into action The Disciple Making Pastor offers the inspiration and practical know how to do so Bill Hull shows pastors the obstacles they will face what disciples really look like the pastor s role in producing them and the practices that lead to positive change He also offers a six step coaching process to help new disciples grow in commitment and obedience and practical ideas to integrate disciple making into the fabric of the church

The Passion Generation Grant Skeldon,2018-11-06 Millennials have disrupted almost every major industry Whether you re a parent trying to raise them a pastor trying to reach them or an employer trying to retain them they re disruptive As the largest living generation millennials are one of the most studied but misunderstood groups of our day And the chasm between the generations is only getting wider Speaker and founder of the Initiative Network Grant Skeldon pulls back the confusing statistics about millennials to reveal the root issue it s not a millennial problem it s a discipleship problem Millennials are known for their struggle to hold jobs reluctance to live on their own and alarming migration away from the church And now our culture is feeling the results of a mentor less fatherless generation But how do you start discipling young people when you struggle to connect with them Written by a millennial The Passion Generation will guide you beyond the stats of what millennials are doing to the why they re doing it and how we can all move toward healthy community With wit compassion and startling insights this book shares stories and studies drawn from Skeldon s years of working to bridge generational gaps In his signature conversational style Skeldon offers researched strategies that will spark healthy connections and practical methods that will help you disciple the millennials you love This book is your guide to understanding the millennials in your life who are seemingly reckless but far from hopeless for the future of the church that depends on them *Making Disciples in the Twenty-First Century Church* Joel Comiskey,2013-12-02 We know that the goal of the Christian life is to glorify God and to enjoy him forever While this is God s ultimate plan does he have a particular purpose for the cell based church I ve been wrestling with this question for the past twenty two years This question confronts me every time I coach a pastor or pastors In preparation for coaching I ask myself What is my principal objective in helping

this pastor Where am I guiding this church What am I trying to do I've come to the conclusion that the primary goal of cell ministry is to make disciples who make disciples Christ's last command to his disciples was for them to repeat the process and to reproduce new disciples But how were they supposed to do that This book answers these questions The early church followed Christ's pattern by making disciples through the house churches that periodically celebrated together in public worship In 2 Timothy 2:1-2 Paul tells Timothy to continue the discipleship process by passing on the pure gospel message to faithful men and women Even though the term disciple is later replaced by words such as brothers sisters Christians and saints the concept remains the same We in North America and the Western world often project our own cultural bias into Christ's great commission Matthew 28:18-20 Most discipleship books in fact assume that discipleship is an individualistic endeavor between me and God And yes there is an important individual aspect e.g. personal devotions etc Yet in Matthew 28 Jesus was talking to a group of disciples He wanted them to follow his example by making disciples in a group Jesus molded twelve disciples in a group and then sent them house to house So how does the cell church make disciples In this book I show how the cell small group works together with the cell system to make disciples who make disciples In the cell a potential disciple is transformed through community priesthood of all believers group evangelism and team multiplication In the cell potential disciples are formed through learning how to love one another exercising their gifts evangelizing together as a group and then sent forth as teams to start new groups Discipleship is a group process in the New Testament and God is calling his church to re-emphasize this truth The cell system ensures each leader has a coach and that training equipping track happens Then the cells gather together to worship and grow through the teaching of God's Word All three aspects are essential to form disciples Training is needed because disciples won't learn all they need to know in the cell Coaching ensures that each leader is cared for and receives shepherding The celebration service brings the cells together to hear God's Word worship and receive fresh vision The goal of the two-wing cell church is to make disciples who make disciples The cell church today makes disciples by following the early church pattern of cell and celebration Recommendations I've read all of Joel Comiskey's books but Making Disciples in the Twenty First Century Church is his best work yet In this book Joel reminds us that the real call and challenge of the Church is not developing leaders or numerical growth but making disciples who make disciples He also helps us understand why that is best done in a cell or small group context and gives us great insight about how to make that happen I'm looking forward to having all of our Pastors Coaches and Cell Leaders and Members read this book in the near future Dennis Watson Lead Pastor Celebration Church of New Orleans ____ I am so excited about Joel Comiskey's new book Making Disciples in the Twenty First Century Church When I'm asked what makes a cell church thrive I always say discipleship Thank you Joel for unpacking discipleship not just as an endeavor for individuals but as the critical element for creating a church community and culture that reproduces the Kingdom of God all over the earth I pray this book won't only be read but lived out as we were made to make disciples Jimmy Seibert Senior Pastor Antioch Community Church
