## **The Nonviolent Life:**

**The Nonviolent Life** John Dear, 2013-09-15 How can we become people of nonviolence and help the world become more nonviolent What does it mean to be a person of active nonviolence How can we help build a global grassroots movement of nonviolence to disarm the world relieve unjust human suffering make a more just society and protect creation and all creatures What is a nonviolent life These are the questions John Dear Nobel Peace Prize nominee and Pace e Bene staff member poses in his latest book *The Nonviolent Life* He focuses on three important aspects on the path toward becoming people of nonviolence being nonviolent toward ourselves being nonviolent to all others including creation and creatures and joining the global grassroots movement of nonviolence After thirty years of preaching the Gospel of nonviolence John says he has never found a book that completely captures these crucial elements of nonviolent living According to John most people pick one or two of these dimensions but few do all three To become a fully rounded three dimensional person of nonviolence we need to do all three simultaneously In this book John Dear explores the powerful journey of nonviolence rooted in the Christian vision of love He also offers discussion questions throughout the book making it ideal for study groups seeking to go deeper into the nonviolent life Order your copy today and journey with John along the path of the nonviolence Published by Pace e Bene Press

**The Nonviolent Apocalypse** Jeffrey D. Meyers, 2021-11-08 Revelation is resistance literature written to instruct early Christians on how to live as followers of Jesus in the Roman Empire *The Nonviolent Apocalypse* uses modern examples and scholarship on nonviolence to help illuminate Revelation's resistance arguing that Revelation's famously violent visions are actually acts of nonviolent resistance to the Empire The visions form part of Revelation's proclamation of God's way as a just and life giving alternative to the system constructed by Rome Revelation urges its readers to pursue this radical form of living engaging in nonviolent resistance to all that stands in the way of God's vision for the world

**The Nonviolent Atonement, Second Edition** J. Denny Weaver, 2011-01-26 A provocative study that cuts to the very heart of Christian thought *The Nonviolent Atonement* challenges the traditional Anselmian understanding of atonement along with the assumption that heavenly justice depends on Christ's passive innocent submission to violent death at the hands of a cruel God Instead J Denny Weaver offers a thoroughly nonviolent paradigm for understanding atonement grounded in the New Testament and sensitive to the concerns of pacifist black feminist and womanist theology While many scholars have engaged the subject of violence in atonement theology Weaver's *Nonviolent Atonement* is the only book that offers a radically new theory rather than simply refurbishing existing theories Key features of this revised and updated second edition include new material on Paul and Anselm expanded discussion on the development of violence in theology interaction with recent scholarship on atonement and response to criticisms of Weaver's original work Praise for the first edition The best current single volume on reconstructing the theology of atonement S Mark Heim in *Anglican Theological Review* Weaver provides an important contribution to atonement theories by seriously inserting the contemporary concerns of pacifist feminist womanist

and black theologians into the centuries old christological conversation A provocative but faithful proposal benefiting any student of christology Religious Studies Review A noteworthy contribution to the literature on the atonement Weaver provides a useful critique of the history of atonement motifs he does a fine job of placing Anselm s theology in its historical context he creatively fuses a singular biblical vision from the earthly narrative of the Gospels and the cosmic perspective of the Apocalypse and he attempts to relate discussions of the atonement to Christian social ethics Trinity Journal This is a superb succinct survey and analysis of classical and contemporary theories of the atonement ideal for students and general readers A clearly written passionately expressed introduction to current debates on the atonement Excellent resource Reviews in Religion and Theology

**The Non-Violent Radical** Charles McCollough,2012-06-01 This book interprets the wisdom of Jesus sayings in the gospels in words and images McCollough examines Jesus wisdom in the context of the political and economic world of the Roman Empire and then applies it to our own time for both personal growth and social action Original works of art by McCollough illustrate the texts of these sayings and can be used in private reflection worship and educational settings In addition readers may use the images for newsletters church bulletins and program announcements A DVD with color images of many more illustrations of the book is available from the author The short wisdom sayings of Jesus are almost always interpreted as private or interpersonal instruction and ignore the political economic context of his time The result is often sentimental piety or otherworldly speculation Yet it is hard to imagine that Jesus and his followers were blind to the tyranny of Rome and the economic exploitation of a tiny minority over the vast majority of people living desperate lives in the Roman colonies This book uses the insights of formerly colonized Bible readers in the non Western world to understand the postcolonial meanings of Jesus time and our own

Seizing the Nonviolent Moments Nancy Small,2015-01-08 Life is filled with opportunities to practice nonviolence If we kept track we d be surprised at how often we get to choose a violent or nonviolent response to a given situation Seizing these moments is a spiritual practice that shapes a nonviolent heart Many people doing this together shapes the heart of a nonviolent world This book is a humble and accessible approach to nonviolence based on the belief that no one is perfectly nonviolent We are all works in progress Each chapter presents an imaginative interpretation of a scripture story about seizing a nonviolent moment that sheds new light on nonviolence and its spirituality Stories of contemporary peacemakers woven throughout offer lessons for living a spirituality of nonviolence for our times Prophetic words from the US Catholic bishops emphasize the essential role of peacemaking in renewing the earth Questions following each chapter inspire personal reflection and make the book a welcome resource for classrooms parishes and small groups The more we seize the nonviolent moments in our lives the more we are transformed by them And the more we experience the power of nonviolence within ourselves the more we believe in its potential to transform our troubled world

A Constructively Critical Conversation between Nonviolent and Substitutionary Perspectives on Atonement Hojin Ahn,2021-12-21 In the contemporary theological world traditional

substitutionary accounts of Christ's atoning work have increasingly come under criticism for what is said to be their propensity for encouraging violence by a variety of theologians such as feminists, pacifists and Girardians. Cur deus homo? the question about God's sovereign purpose in Christ's atoning work is radically transposed into who killed Jesus which is a provocative inquiry into the ethical issues surrounding divine violence from the nonviolent perspective of atonement. Nonetheless in this monograph contrary to their nonviolent intention you will witness that Brock Schwager and Weaver violently damage a holistic dimension of atonement event under the human cause of the victim Jesus crucifixion by evil. By contrast you will hear the harmonized voices of Anselm, Calvin and Barth who adamantly proclaim the incarnated Son of God's sovereignty in his self-giving death for our salvation. Furthermore it is through the theological conversation between the opposite camps that you will realize how the anthropological motifs of healing scapegoat mechanism and nonviolence are to be constructively engaged with the Christological cultic context of an evangelical doctrine of substitution. You will encounter the crux of Christ's saving death for us.

*Collective Violence* James F. Short, Jr., Marvin Eugene Wolfgang, *Collective violence* has played an important role throughout American history though we have typically denied it. But it is not enough to repress violence or to suppress our knowledge of it. We must understand the phenomenon and to do this we must learn what violent groups are trying to say. That some choose violence tells us something about the perpetrators inevitably about ourselves and the society we have built. This collection of provocative contributions addresses theory and research on violence as a group phenomenon. The editors were co-directors of research for the National Commission on the Causes and Prevention of Violence in the 1960s and many of the contributors to this volume were involved in that research. *Collective Violence* distills their findings as well as takes a later, harder look at the forms, sources and meanings of riots and rebellion. Short and Wolfgang consider the political implications of collective violence especially as it has appeared in the United States. The book includes essays on theory, comparative analyses based on anthropological and historical data, studies of the role of police and other social control agents and summarizes discussions of U.S. public policy. The contributions range from anthropologists' descriptions of collective violence in primitive societies to general statements about the nature of collective violence. *Collective Violence* is intended for use in a wide range of courses in sociology, anthropology and political science. In addition its findings will interest anyone wishing insight into the nature of group violence in American society.

**The Power of Nonviolence** Howard Zinn, 2002-09-12 There is no easy way out of the spiraling morass of terror and brutality that confronts the world today. It is time now for the human race to hold still to delve into its wells of collective wisdom, both ancient and modern. Arundhati Roy, *The Power of Nonviolence* the first anthology of alternatives to war with a historical perspective with an introduction by Howard Zinn about September 11 and the U.S. response to the terrorist attacks presents the most salient and persuasive arguments for peace in the last 2,500 years of human history. Arranged chronologically covering the major conflagrations in the world *The Power of Nonviolence* is a compelling step forward in the study of

pacifism a timely anthology that fills a void for people looking for responses to crisis that are not based on guns or bombs Included are some of the most original thinkers about peace and nonviolence Buddha Scott Nearing Henry David Thoreau s Civil Disobedience Jane Addams William Penn on the end of war Dorothy Day s position on Pacifism Erich Fromm and Rajendra Prasad Supplementing these classic voices are more recent advocates of peace Albert Camus Neither Victims Nor Executioners A J Muste s impressive Getting Rid of War Martin Luther King s influential Declaration of Independence from the War in Vietnam and Arundhati Roy s War Is Peace plus many others      **The God of Peace** John Dear,2005-03-08 The God of peace is never glorified by human violence Thomas Merton The God of Peace John Dear s classic theology of nonviolence broke new ground when it was first published as a breakthrough toward a new understanding of scripture theology social concerns and churches issues from the perspective of Gospel nonviolence in the tradition of Mahatma Gandhi Martin Luther King Jr and Dorothy Day This ground breaking study begins not just with the culture of violence but the nonviolence of God and the revolutionary nonviolence of Jesus From the start John Dear explores traditional areas of theology such as Christology Trinitarian Theology anthropology sin redemption theodicy salvation ecclesiology eschatology spirituality liturgy Catholic social teaching the just war theory feminism liberation theology and the consistent ethic of life This text will help university and theology students pursuing the theology and spirituality of nonviolence as well as ordinary Christians and activists interested in the crucial connection between war and violence and God and nonviolence      **Everyday Connections** Heidi Haverkamp,2022-08-30 This volume provides a full fifty two weeks of devotional material based on the Revised Common Lectionary for Year C Drawing from the insightful Bible commentaries in the Connections series each week of offerings also includes scriptural and literary readings lectio divina spiritual practices questions for journaling and a prayer This resource has been crafted with mainline lectionary preachers and lay leaders in mind both to supplement their planning for the week and to feed their souls in the midst of the work of ministry Individuals and small groups will find their faith deepened through regular contemplation and devotional insight      *The Gospel of Peace* Dear, John,2023-11-10 A comprehensive commentary of the synoptic gospels from the perspective of nonviolence      **Waging Peace** David Hartsough,Joyce Hollyday,2014-11-01 David Hartsough knows how to get in the way He has used his body to block Navy ships headed for Vietnam and trains loaded with munitions on their way to El Salvador and Nicaragua He has crossed borders to meet the enemy in East Berlin Castro s Cuba and present day Iran He has marched with mothers confronting a violent regime in Guatemala and stood with refugees threatened by death squads in the Philippines Waging Peace is a testament to the difference one person can make Hartsough s stories inspire educate and encourage readers to find ways to work for a more just and peaceful world Inspired by the examples of Mahatma Gandhi and Martin Luther King Jr Hartsough has spent his life experimenting with the power of active nonviolence It is the story of one man s effort to live as though we were all brothers and sisters Engaging stories on every page provide a peace activist s eyewitness account of many of the

major historical events of the past sixty years including the Civil Rights and anti Vietnam War movements in the United States and the little known but equally significant nonviolent efforts in the Soviet Union Kosovo Palestine Sri Lanka and the Philippines Hartsough s story demonstrates the power and effectiveness of organized nonviolent action But Waging Peace is more than one man s memoir Hartsough shows how this struggle is waged all over the world by ordinary people committed to ending the spiral of violence and war Transfiguring a Theologia Crucis through James Cone Brach S.

Jennings,2023-10-18 Brach S Jennings unites thematic investigations into hermeneutics and material dogmatics related to fundamental theology with a concern for contemporary situations of global oppression in order to propose a new theologia crucis through James H Cone s Black Theology of Liberation Jennings s study connects a theology of wisdom sapientia with political prophetic theology for the three publics of academy society and church today **The Power of Nonviolence**
