Kiera Cass Edward Willett, 2014-12-15 Although still in the early stages of her career, Kiera Cass has enjoyed the kind of success most writers only dream of. After publishing her first novel, *The Siren*, in 2009, she went on to write *The Selection*, a dystopian young adult novel set in a future version of the United States in which girls are selected by lottery to compete for the position of Princess. Although she had had no luck at all in finding either an agent or a traditional publisher for *The Siren*, *The Selection* landed her in short order an agent and a three-book deal with a top publisher. Cass fans and newcomers alike will enjoy reading this biography of an exuberant but down-to-earth young author.
