**Decennial Digest of Indian Cases, 1901-10** S. Srinivasa Aiyar, 1911 *The Spiral Gospel* Rob James, 2022-09-29 How did the author of the Gospel of Luke intend it to be read In *The Spiral Gospel* Rob James shows that the assumptions many modern readers bring to the text that it claims to be historically factual or merely regurgitates existing stories are not those of antiquity Building on the central insight that it was written for a community who would have used it as their pre eminent text James argues convincingly for a continuous cyclical reading of Luke s narrative The evidence for this view and also its consequences can be seen in the gospel s intratextuality Context is given at the end of the gospel that informs the beginning and there are countless other intratextual elements throughout the text that are most readily noticeable on a second or subsequent reading This deliberate creative interweaving on the author s part opens up new levels of appreciation and faith for those who read in the way Luke s first audience received his work **The Christology of Mark's Gospel** Jack Dean Kingsbury, 1983 This important work represents a major methodological advance in the study of the Gospels The result is a

Gundry, 2000-05 This monumental work presents a careful well argued alternative reading of the Greek text of Mark a reading that pays special attention to such literary devices as word order chiasm inclusio asyndeton and the historical present tense Driving the commentary is Gundry's provocative seldom defended thesis that Mark's Gospel constitutes a straightforward apology for the shameful manner of Jesus' death as such Mark is essentially an evangelistic tract rather than an obliquely written handbook of Christian discipleship and church life Sure to become recognized as the heavyweight English commentary on the Gospel of Mark This massive commentary rich with exegetical detail and critical assessment of the secondary literature makes an important contribution not only to Markan research but also to the study of the historical Jesus Christian Scholars Review      Official Reports of the Debates of the House of Commons of the Dominion of Canada Canada.
