The Mercenary's Tale Lynn Lorenz, 2010-03-23 When Drake's heart is awakened he discovers the joy of forbidden love Drake found himself breaking his own rules the first time he looked into Ansel's blue eyes Despite his better judgment he agreed to let the young mercenary travel with him to the battle at Foray Their travels become a journey of sexual discovery love and ultimately on the battlefield at Foray loss Two years later Drake is called to be Master of Arms at Marden Castle Drake can handle that but he can't handle Logan the Duke of Marden Logan's green eyes long blond hair and boyish charm make Drake feel things he'd rather keep buried But if Drake can open his heart again he'll find everything he's never wanted and always needed a home a son and a man to love and who loves him Publisher's Note This book contains explicit sexual content graphic language and situations that some readers may find objectionable Male male sexual practices menage m f m m m m violence **The Politics of Transparency in Modern American Fiction** Paula Martín Salván, Sascha Pöhlmann, 2024 A much needed contribution to and critique of debates in the newly emerging field of transparency studies from the perspective of American literary studies In the twenty first century transparency has become an ambiguous buzzword both in the public and the private realms e.g. Wikileaks and the Snowden affair social media This volume takes its cue from the emerging field of transparency studies recent scholarly work in sociology political theory and cultural studies that identifies a hegemonic rhetoric of transparency in public and political life While scholars in this new field routinely gesture toward literature as the realm where secrecy may be productive they rarely engage with literature directly and literary studies itself remains notably absent from their debates This collection of essays seeks to redress that state of affairs by focusing on literary texts written in an American cultural tradition steeped in the interplay between transparency and exposure fear and secrecy security and surveillance and information and disinformation The essays draw on authors ranging from Whitman James and Ellison to Pynchon Morrison and Eggers to argue that American literature complicates theoretical assumptions

about transparency made in other disciplines They question the field's strong theoretical emphasis on present day technopolitical practices and discourses as the location of hegemonic discourse on transparency and instead historicize such phenomena and extend them to discursive spheres that have so far been neglected such as issues of sexuality and race Edited by Paula Mart in Salv an and Sascha P ohlmann Contributors Tomasz Basiuk Jes us Blanco Hidalgo Cristina Chevere san Julia Faisst Michel Feith Juli an Jim enez Heffernan Tiina K akel a Juan L P erez de Luque Umberto Rossi Jelena Sesni c Toon Staes Julia Straub Alice Sundman **DICKENS'S LONDON - Premium Collection of 11 Novels & 80+ Tales**

Mercenaries and Missionaries Brandon Vaidyanathan,2019-05-15 Mercenaries and Missionaries examines the relationship between rapidly diffusing forms of capitalism and Christianity in the Global South Using more than two hundred interviews in Bangalore and Dubai Brandon Vaidyanathan explains how and why global corporate professionals straddle conflicting moral orientations in the realms of work and religion Seeking to place the spotlight on the role of religion in debates about the cultural consequences of capitalism Vaidyanathan finds that an apprehensive individualism generated in global corporate workplaces is supported and sustained by a therapeutic individualism cultivated in evangelical charismatic Catholicism Mercenaries and Missionaries uncovers a symbiotic relationship between these individualisms and shows how this relationship unfolds in two global cities Dubai in non democratic UAE which holds what is considered the world s largest Catholic parish and Bangalore in democratic India where the Catholic Church though afflicted by ethnic and religious violence runs many of the city s elite educational institutions Vaidyanathan concludes that global corporations and religious communities create distinctive cultures with normative models that powerfully orient people to those cultures the Mercenary in cutthroat workplaces and the Missionary in churches As a result global corporate professionals in rapidly developing cities negotiate starkly opposing moral commitments in the realms of work and religion which in turn shapes their civic commitment to these cities *The Brothers: a Tale of the Fronde; and Other Stories* Henry William Herbert,1844
