Warner Mifflin Gary B. Nash, 2017-07-28 Warner Mifflin energetic uncompromising and reviled was the key figure connecting the abolitionist movements before and after the American Revolution A descendant of one of the pioneering families of William Penn's Holy Experiment Mifflin upheld the Quaker pacifist doctrine carrying the peace testimony to Generals Howe and Washington across the blood soaked Germantown battlefield and traveling several thousand miles by horse up and down the Atlantic seaboard to stiffen the spines of the beleaguered Quakers harried and exiled for their neutrality during the war for independence Mifflin was also a pioneer of slave reparations championing the radical idea that after their liberation Africans in America were entitled to cash payments and land or shared crop arrangements Preaching restitution Mifflin led the way in making Kent County Delaware a center of reparationist doctrine After the war Mifflin became the premier legislative lobbyist of his generation introducing methods of reaching state and national legislators to promote antislavery action Detesting his repeated exercise of the right of petition and hating his argument that an all seeing and affronted God would punish Americans for national sins many Southerners believed Mifflin was the most dangerous man in America a meddling fanatic who stirred the embers of sectionalism after the ratification of the Constitution of 1787 Yet he inspired those who believed that the United States had betrayed its founding principles of natural and inalienable rights by allowing the cancer of slavery and the dispossession of Indian lands to continue in the 1790s Writing in beautiful prose and marshaling fascinating evidence Gary B Nash constructs a convincing case that Mifflin belongs in the Quaker antislavery pantheon with William Southeby Benjamin Lay John Woolman and Anthony Benezet

**Feasting at Wisdom's Table** Joseph W Cowan, 2024-10-07 Some of our founding fathers of the United States of America made comments about what is essential for our nation to endure they pointed not to laws or to the US Constitution but to virtue its study is focused on the source of virtue the fear of the LORD It is calling people to remember and return to God

*Culturism* John Kenneth Press, 2013-07 Culturism is the opposite of multiculturalism Multiculturalism says that western nations have no core culture our lands are just neutral spaces where random cultures assemble Culturism acknowledges that we have a core culture rooted in Athens and Jerusalem Culturism defies globalism Islamic nations and China do not believe in rights the relative separation of church and state democracy or free speech These are not universal values they are western values To protect them we must protect the West Like all other nations we have a right to have culturist economic and immigration policies Culturism disarms those who abuse the word racist in order to stop discussion Pointing out that different ethnic groups have different levels of economic and educational achievement is not

racist it is culturist Culturist profiling is not racist Racism is stupid But if cultural diversity is real discussing cultural diversity is rational and necessary Neither inherently conservative nor liberal culturism argues against invading other nations to spread Western values to nations that do not want them It also argues for the right of our schools to teach culturist pro western curriculum Stop the corrosive spread of multiculturalism and politically correct censorship Spread the words culturism and culturist today
