

The Morality of Paul's Converts

Edwin D. Freed

The Morality Of Paul S Converts Bibleworld

Michael Carden

The Morality Of Paul S Converts Bibleworld:

The Morality of Paul's Converts Edwin D. Freed, 2014-12-05 A careful analysis of Paul's letters shows that in every church there were two main groups of converts: those who were baptized and those being instructed for baptism. Such analysis also makes it possible to determine which parts of each letter were directed towards which group. Baptism was the rite by which converts were forgiven their past sins and became members of a renewed community of God from which any who continued to sin were expelled. *The Morality of Paul's Converts* argues that Paul was always more concerned with how converts behaved than with what they believed about Christ. Paul remained a Jew even after he accepted Jesus as the Messiah. Paul eventually developed beliefs about Jesus as the Son of God in order to win Gentile converts to faithfulness, but this careful analysis of his writings reveals that his primary concern was always the morality of converts. His message always remained focused on faithfulness toward God and moral probity.

The Morality of Paul's Converts Edwin D. Freed, 2005 Faithfulness toward God and moral probity are the primary messages in the letters of Paul; therefore, there emerges from this study a concern on the part of Paul for the moral life of believers not heretofore recognized. In turn, the vague doctrine of justification by faith in Christ is no longer cogent for the twenty-first century.

Sex Working and the Bible Avaron Ipsen, 2014-12-18 The Bible contains many stories of prostitution. Feminist and liberation readings of these biblical narratives have often made sex workers invisible. *Sex Working and the Bible* examines stories of biblical prostitution through the experiences and understanding of sex workers today. The Bible narratives ranging across Rahab in the Book of Joshua, the story of Solomon and the two prostitutes, the anointing women traditions, and the apocalyptic vision of the whore of Babylon in Revelation are set within both a practical and theoretical framework. This radical book offers a new, more inclusive way of approaching issues of gender, sexuality, and prostitution in the Bible.

A Compendium of Musical Instruments and Instrumental Terminology in the Bible Yelena Kolyada, 2014-12-18 *A Compendium of Musical Instruments and Instrumental Terminology in the Bible* draws on extensive historical research, comparative linguistic analysis, and musical study to offer the first compilation of its kind. The volume examines the entire range of musical instruments in the Bible: stringed, wind, and percussion. Drawing on ancient and modern translations of the Bible and the works of rabbinic teachers, Church Fathers, and medieval, renaissance, and contemporary scholars, the book offers a historical survey of Hebrew instrumental music, its origins, and links with neighbouring cultures; the role of instruments in the religious, social, public, and private life of ancient Israel; and the system of musical education, and explores the understanding of Hebrew musical instruments in post-biblical times. This comprehensive volume will be invaluable to musicologists, archaeologists, theologians, historians, philologists, and Bible translators, as well as general readers in the subject.

The Apostle Paul and His Letters Edwin D. Freed, 2014-12-05 *The Apostle Paul and His Letters* presents a detailed examination of the apostle's seminal writings in the Book of Acts. Paul was writing primarily to converts who had joined church communities only recently, mostly forsaking either Judaism or paganism.

Paul's emphases on faithfulness toward God, the faithfulness of Jesus and his moral teachings are always primary themes. The book discusses a range of topics: the circumstances that led Paul to write each letter; Paul's emphasis on the morality of the believers to whom he was writing; the influence of Old Testament, Qumran and pagan writings on Paul's own intellectual and cultural context of the time; and how careful attention to Paul's language can shed light on his meaning. This book is written for a wide range of interested readers including students, pastors, church workers and others interested in learning about Paul as a person and his work.

Experientia, Volume 2 Colleen Shantz, Rodney Werline, 2012-08-17 This collection of essays continues the investigation of religious experience in early Judaism and early Christianity begun in *Experientia Volume 1* by addressing one of the traditional objections to the study of experience in antiquity. The authors address the relationship between the surviving evidence which is textual and the religious experiences that precede or ensue from those texts. Drawing on insights from anthropology, sociology, social memory theory, neuroscience and cognitive science, they explore a range of religious phenomena including worship, the act of public reading, ritual, ecstasy, mystical ascent and the transformation of gender and of emotions. Through careful and theoretically informed work, the authors demonstrate the possibility of moving from written documents to assess the lived experiences that are linked to them. The contributors are István Czachesz, Frances Flannery, Robin Griffith Jones, Angela Kim Harkins, Bert Jan Lietaert, Peerbolte, John R. Levison, Carol A. Newsom, Rollin A. Ramsaran, Colleen Shantz, Leif E. Vaage and Rodney A. Werline.

The Ontology of Space in Biblical Hebrew Narrative Luke Gartner-Brereton, 2014-12-18 The central premise of this book is that biblical Hebrew narrative in terms of its structure tends to operate under similar mechanical constraints to those of a stage play wherein space is central. Characters are fluid and objects within the narrative tend to take on a deep internal significance. The smaller episodic narrative units within the Hebrew aesthetic tend to grant primacy to space both ideologically and at the mechanical level of the text itself. However, space as a determinate structural category has been all but overlooked in the field of biblical studies to date, reflecting perhaps our own inability as modern readers to see beyond the dominant cinematic aesthetic of our times. The book is divided into two major sections, each beginning with a more theoretical approach to the function of narrative space and ending with a practical application of the previous discussion using Genesis 28:10-22, the Bethel narrative and the book of Ruth respectively as test cases.

The Eschatology of First Thessalonians David Luckensmeyer, 2013-03-06 David Luckensmeyer gelingt durch die Untersuchung der eschatologischen Motive ein hervorragender Zugang zum ersten Thessalonicherbrief. Er analysiert die grundlegenden Richtungen des enthaltenen Diskurses erstmalig und verdeutlicht sowohl die Rhetorik wie auch die Briefstruktur des 1. Briefes an die Thessalonicher. Durch diese Zugangsweise lassen sich die verschiedenen eschatologischen Motive als Teil einer systematischen Aufforderung des Verfassers an eine Gemeinde verstehen, die einen Konflikt zu bestehen hat. Luckensmeyer verdeutlicht die Eschatologie als den besten hermeneutischen Schlüssel, um die systematischen Aspekte des Briefes zu interpretieren. Es besteht kein Zweifel: Eschatologische Motive sind

im berfluss vorhanden etwa in 1 9 10 2 13 16 4 13 18 oder 5 1 11 Der Frage auf welche Weise diese Motive die Absichten des Paulus in seinem Schreiben verdeutlichen widmet sich Luckensmeyer ganz besonders Paulus kann verst ndlich machen warum die Thessalonicher im Konflikt leben und sie zugleich zu einem neuen Verst ndnis von Gemeinde ermutigen Die ausf hrliche Bibliographie gibt einen guten berblick ber die neueste Sekund rliteratur und verschiedene Register erleichtern den Zugang

Mark and its Subalterns David Joy, 2014-12-18 This book offers a fresh appraisal of the identity and involvement of the subalterns in Mark arguing that the presence of the subalterns in Mark is a possible hermeneutical tool for re reading the Bible in a postcolonial context like India Part I paves the way for a creative discussion on Mark and its interpreters in the rest of the study by looking at the issue of the spread of Christianity and missionary attempts at biblical interpretations that did not take the life of the natives into account Many insights from the postcolonial situation can be found in the contextual interpretations such as liberation feminist postcolonial feminist and subaltern Part II considers colonial rule in Palestine and examines some Markan texts showing the potential role of the subalterns It is argued that due to colonial rule the native people suffered in terms of their identity religion and culture There was conflict between Galilee and Jerusalem mainly on religious issues and the victims of domination were the poor peasants and the artisans in Galilee A dialogue and interaction with the Markan milieu was possible in the research and so the marginal and subaltern groups were effectively understood by exegeting Mark 10 17 31 7 24 30 and 5 1 20 and showing the postcolonial issues such as the poor and their representation gender race hybridity class nationalism and purity respectively The subalterns were mainly associated with movements of resistance in Palestine The Markan proclamation of solidarity with those subalterns is significant The general conclusion presents the implications of this interpretation for a hermeneutical paradigm for a postcolonial context

The Bible Says So! Edwin D. Freed, Jane F. Roberts, 2014-12-05 Is it possible to apply teachings from the Bible to our world today given the vast differences between biblical times and ours Biblical passages are often taken out of context and interpreted to support a particular viewpoint or justify a particular action The Bible Says So examines the origins of well known biblical stories from Adam and Eve the Flood and the Tower of Babel to the birth of Jesus his resurrection and the writings of St Paul The book argues that the meaning of these stories becomes apparent when we read between the lines using the techniques of biblical scholars The Bible Says So explores the original intentions of the biblical writers in their particular context and examines key biblical values The book does justice to the origins of the biblical text whilst also affirming the relevance of the Bible today

The Social History of Achaemenid Phoenicia Vadim S. Jigoulov, 2016-04-08 Even though the Persian period has attracted a fair share of scholarly interest in recent years as yet no concerted effort has been attempted to construct a comprehensive social history of Phoenician city states as an integral part of the Achaemenid empire This monograph explores the evidence from Persian period literary both ancient Jewish and classical epigraphic and numismatic sources as well as material culture remains in order to sketch just such a history This

study examines developments in Persian period Phoenician city states on the three levels that of the individual household the city state and the administrative unit of the Persian empire These three societal levels are analyzed within the contexts of economic competition between and among the Phoenician city states their burgeoning economic ties with the outside world and their interaction with the Persian imperial influence in the Levant Biblical Resistance Hermeneutics within a Caribbean Context Oral A. W. Thomas, 2016-04-08 The Bible is of central importance within Caribbean life but is rarely used as an agent for social change Caribbean biblical hermeneutics focus more on the meaning of biblical texts for today and less on the context in which the texts themselves were written Biblical Resistance Hermeneutics within a Caribbean Context offers a biblical hermeneutic that acknowledges the importance of the socio ideological interests theological agendas and social practices that produced the biblical texts as well as the socio cultural context of the contemporary reader The book examines the social context of post independence Caribbean and outlines the difficulties of biblical interpretation within Christian communities that descend from a history of slavery Current hermeneutical practices in the Caribbean are critiqued and a biblical resistant reading offered that enables the Bible to be used as a cultural weapon of resistance Bible and Justice Matthew J. M. Coomber, 2016-04-01 The Bible contains a variety of passages that defend the poor and champion the cause of the oppressed but are these ancient texts able to find a voice in confronting injustice in the modern world Bible and Justice examines the ways in which the Bible can speak to contemporary poverty environmental issues and state sponsored violence whilst exploring the difficulties that arise when ancient concepts of justice are applied to modern ideals The book covers a range of topics from human rights to deaf biblical interpretation and from hospitality to corporate globalization Broad and accessible Bible and Justice will be an invaluable resource for students of religious and biblical studies

Judaism, Jewish Identities and the Gospel Tradition James G. Crossley, 2016-04-08 Contemporary Gospel studies have recently taken increasing interest in the Jewish context of Jesus and the gospels Judaism Jewish Identities and the Gospel Tradition offers an overview of the ways in which Judaism is used in the canonical gospels and how this relates to the idea of a Jewish Jesus The essays bring together a range of influential scholars to analyse the role of Judaism in gospel studies The book explores constructions of gender the impact of the historical Jesus and the significant steps toward Christian distinctiveness made in the gospel of John The essays cover a range of biblical texts from the Lord's Prayer to Mark's Christology and the Gerasene Demoniac to themes of poverty in Luke **The Archaeology of Myth** N. Wyatt, 2017-07-05 Myth as a category is often explicitly denied as being present in the Bible Studies of Israelite religion take a largely historical approach The Archaeology of Myth highlights the importance of mythological categories in discussing any religion and especially Israelite religion The essays explore key biblical narratives and themes Jacob's dream the story of Dinah and Shechem the seventy sons of Athirat the old men of Deuteronomy tracing their development from primitive forms to biblical text The book offers a theoretical analysis of the biblical treatment of myth and its role in the shaping of memories and values

Jonah's World Lowell K. Handy, 2014-12-05 The story of Jonah often read as a simple children's story is a multifaceted and elaborate narrative with serious intent Treating the biblical book as a fictitious story based on real locations and recognizable persons *Jonah's World* examines the background to the story and draws on social science approaches to describe its imaginative world The book explores the geography theology myth human characters natural landscape and the ideology behind the story to uncover a vision of reality shaped by literary technique *Jonah's World* will be invaluable to students and scholars seeking a new approach to the reading of this colourful text

Sodomy Michael Carden, 2014-12-18 The biblical narrative of Sodom and Gomorrah has served as an archetypal story of divine antipathy towards same sex love and desire Sodomy offers a study of the reception of this story in Christian and Jewish traditions from antiquity to the Reformation The book argues that the homophobic interpretation of Sodom and Gomorrah is a Christian invention which emerged in the first few centuries of the Christian era The Jewish tradition in which Sodom and Gomorrah are associated primarily with inhospitality xenophobia and abuse of the poor presents a very different picture The book will be of interest to students and scholars seeking a fresh perspective on biblical approaches to sexuality

The Production of Prophecy Diana Vikander Edelman, Ehud Ben Zvi, 2014-12-18 The Persian and Hellenistic periods saw the production and use of a variety of authoritative texts in Israel The Production of Prophecy brings together a range of influential biblical scholars to examine the construction of prophecy and prophetic books during the Persian period Drawing on methodological and comparative research and studies of particular biblical texts the volume explores biblical prophecy as a written phenomenon examining the prophets of the past setting this within the general history of Yehud The relationship between prophetic and other authoritative written texts is explored as well as the general social and ideological setting in which the prophetic books emerged

Experientia Frances Flannery, Colleen Shantz, Rodney Alan Werline, 2008

On the Origins of Judaism Philip R. Davies, 2016-04-01 On the Origins of Judaism examines the formation of one of the oldest monotheistic religions The book covers a diverse range of themes the identity of those who produced and canonized the Hebrew Bible and subsequently shaped its interpretation the significance and impact of Second Isaiah and the books of Ezra and Nehemiah the roots of Jewish apocalyptic literature and the possible origins of the Exodus story the ethical systems of the Hebrew Bible and the Athenian tragedians and the place of food and drink in the Qumran community On the Origins of Judaism is the most comprehensive exploration of the roots of the Jewish faith and will be invaluable to students and scholars of biblical and religious studies

Decoding **The Morality Of Paul S Converts Bibleworld**: Revealing the Captivating Potential of Verbal Expression
