The Motivation Manifesto Brendon Burchard, 2014-10-28 The Motivation Manifesto is a poetic and powerful call to reclaim your life and find your own personal freedom from Brendon Burchard the world's #1 high performance coach and 1 New York Times bestselling author of High Performance Habits. It's a triumphant work that transcends the title, lifting the reader from mere motivation into a soaringly purposeful and meaningful life. I love this book Paulo Coelho The Motivation Manifesto is a call to claim our personal power. World renowned high performance trainer Brendon Burchard reveals that the main motive of humankind is the pursuit of greater Personal Freedom. We desire the grand liberties of choice, time, freedom, emotional freedom, social freedom, financial freedom, spiritual freedom. Only two enemies stand in our way: an external enemy defined as the social oppression of who we are by the mediocre masses, and an internal enemy, a sort of self-oppression caused by our own doubt and fear. The march to Personal Freedom, Brendon says, can be won only by declaring our intent and independence, stepping into our personal power and battling through self-doubt and the distractions of the day until full victory is won. Recalling the revolutionist voices of the past that chose freedom over tyranny, Brendon motivates us to free ourselves from fear and take back our lives once and for all. In this life-changing personal growth book, Brendon presents his nine declarations for personal power and motivation, drawing on insights from his own personal journey and from the lives of some of history's greatest leaders and thinkers. Each chapter focuses on one of the nine declarations, offering practical strategies and exercises to help you apply these principles to your life. Whether you're seeking to overcome self-doubt, boost your confidence, or achieve your goals, The Motivation Manifesto is an invaluable guide to unlocking your full potential. With its inspiring message and actionable advice, this bestselling book is a must-read for anyone who wants to unleash their inner greatness with the power of determination, resilience, and an empowering mindset. **Personal Life Motivation Skills**

Manifesto Samantha Claire, 2017-08-01 MANY CAN NOW HAVE THE SKILLS TO SELF MOTIVATE THEMSELVES AT WILL WHO NEVER THOUGHT THEY COULD Perhaps you're browsing through these books because you recognize you have a problem: how to be more motivated. You hate it, but you feel you have to do it. A project, perhaps. Desperate how to stay motivated to lose weight. How to motivate yourself to study. How to motivate your kids or others you care about. Whatever it may be, the problem is the same: Weak motivation or even NO MOTIVATION at all. My goal for you today is to teach you about the nature of self-motivation: what it is, what's killing it, and how to program a motivated brain at will. That's right, learn what motivates people, how you can energize your excitement, passion, inspiration, and inner drive to do the task at hand. Cool superpower, ain't it? If you can have this power, you can virtually push a button and become excited to do what you need to do. You will actually feel the DESIRE to want to do it. How powerful is that? Imagine all the work you can do. You won't need to struggle through it ever again. Your mind says DO IT, and you can actually make yourself WANT TO DO IT.
